Floraline Avenue, One-Way Traffic Only

Floraline Avenue, effective immediately, will be one-way traffic from Lear Nagle Road heading west to Jefferson Avenue. All eastbound traffic on Floraline must exit onto Jefferson to Adams Avenue or Washington Blvd. to exit onto Lear Nagle Road. The closure will remain in effect until the completion of the widening of Lear Nagle Road.

The reason for the closure is to allow for Lear Nagle Road residents' mailboxes to be placed on Floraline Avenue during the construction period.
