

## North Ridgeville Master Plan

### Vision Statements—revised for 10.22.08

1. “The City of North Ridgeville is a Midwest community, mindful of its rural character, devoted to strengthening its entrepreneurial spirit, and committed to enhancing quality of life for all.”
2. ~~“In North Ridgeville, our value-conscious citizens strive to blend our rural heritage with a strong entrepreneurial atmosphere, so that future generations can enjoy a proud, prosperous quality of life.”~~
3. “A city that embraces a rural heritage with an urban way of life, North Ridgeville strives to foster economic vitality while retaining a small-town spirit—all for the community’s most treasured asset—our people.”
4. “Our City of North Ridgeville benefits from a balance between rural roots and metropolitan amenities, all while fostering entrepreneurial growth and promoting our small-town values for future prosperity.”
5. “A neighborly, rural community—building on our historical past while embracing an entrepreneurial future for a great quality of life.”
6. “North Ridgeville strives for a dynamic economy to strengthen our community, foster a high quality of life and protect our city’s historic heritage.”
7. “Proud of our rural past, improving the present for families and businesses, and preparing for future development.”
