

SUMMER ADVENTURE CAMP

Summer break is just around the corner and you don't have a babysitter. What are you going to do? North Ridgeville Summer Adventure Camp is the perfect place for your child with opportunities to make new friends, play games, activities, make art projects, splash around in our splash pad, and enjoy a small snack and drink. Our camp councilors are CPR certified. Emergency medical forms must be completed and turned in before your child can attend. Be sure to pack a non-perishable lunch and drink, bring a bathing suit, towel and tennis shoes each day.
