Building Department

APPLICATION FOR SIGN PERMIT

Permits are required to erect, place or alter (structurally change) a sign.
Application is to be made by the owner, lessee or contractor for proposed sign.
Each sign application shall be made separately.

Each application shall be accompanied by drawings to scale showing:

- The design and layout proposed, including the total area of the sign, size, character and color of letters, lines and symbols.
- The exact location of the sign in relation to the building and property lines, etc.
- The method of illumination, if applicable.

NOTE: All contractors are to be registered with the Building Department for the current year.

Please complete the following and return to the Building Department along with the drawings.
