INTRODUCTION

The city of North Ridgeville is committed to hiring ethical, honest and moral employees who will treat all citizens with respect, dignity and understanding. The occupation of police officer carries with it an expectation of being held to a “higher standard” when viewed by the public in general. Specifically, the public expects its officers to obey the laws they enforce, they expect them to serve as role models in their moral character and social behavior, they expect them to refrain from acts such as abusive use of alcohol and drugs. In short, the public expects its officers to stand behind their oath of office and execute their duties in a truthful and conscientious manner.

These standards are non-exclusive and other facts may be discovered about an applicant through a subsequent background investigation, which are not contained in any of the described categories. These facts may make the applicant an unsuitable choice for employment with the City of North Ridgeville. Such information will be fully investigated and brought to the attention of the Chief of Police where it will be examined in the totality of circumstances before a decision is made regarding an applicant’s potential for employment with the department.

STANDARDS FOR DISQUALIFICATION/NON-FAVORABLE CONSIDERATION

A) CRIMINAL CONDUCT

Commission of criminal acts is inimical to the respect for law required of a police officer. A list of representative criminal offenses that are cause for disqualification are described in the following pages. This list is intended to be illustrative of the types of offenses that would normally cause disqualification; it does not exclude offenses not listed. In certain cases, exceptions to the normal rule of disqualification are stated. However, that does not infer that the act described would be disregarded. In each case, even if the incident itself is not sufficient cause for disqualification, the incident may be taken into consideration, along with other discovered information regarding the applicant, in making a recommendation.

Further, it must be remembered that it is the criminal conduct that is important; while a conviction is proof that the conduct occurred, conviction is not the only acceptable proof of criminal conduct. Information of a nature normally relied upon by reasonable persons in their daily life that a criminal act was committed by the applicant, as opposed to proof beyond a reasonable doubt, may result in a recommendation of disqualification. In this regard, the fact that an arrest occurred does not prove that criminal conduct occurred, but only that probable cause existed for that arrest. The arrest is a starting point in the investigation; ultimately, evidence and/or witness statements must be secured that demonstrate that the applicant committed criminal acts.

The following are those criminal offenses that, except as expressly noted, may result in disqualification from consideration as a police officer for the City of North Ridgeville.

1. Any offense of violence committed as an adult directed against a person as defined in the Ohio Revised Code, Chapter 2903. This shall include homicide, assault, menacing, stalking, hazing and patient abuse or neglect, related offenses. However, a single incident of assault or menacing will not automatically result in disqualification. Such incidents may be considered, along with other matters, in determining suitability for appointment.
2. Any kidnapping and extortion related offenses as defined in the Ohio Revised Code Chapter 2905 committed as an adult.
3. Any sex offenses as defined in the Ohio Revised code Chapter 2907. This includes sexual assaults, prostitution, solicitation and obscenity offenses. Note: The offense must have been committed in a jurisdiction where the act was a criminal offense.
4. Any arson and related offense directed against property as defined in the Ohio Revised Code Chapter 2909 committed as an adult. This shall include disruption, vandalism, damaging and endangering related offenses. However, a single incident of criminal damaging or criminal mischief that occurred at least three (3) years prior to investigation will not automatically result in disqualification. Such incidents may be considered, along with other matters, in determining suitability for appointment.
5. Any robbery, burglary, trespass, related offense as defined in the Ohio Revised Code Chapter 2911 committed as an adult. This shall include safecracking related offenses. However, a single incident of criminal trespass or tampering with coin machines which occurred at least three (3) years prior to investigation, will not automatically result in disqualification. Such incidents may be considered, along with other matters, in determining suitability for appointment.
6. Any theft or fraud offense as defined in the Ohio Revised Code Chapter 2913. This shall include passing bad checks, misuse of credit cards, forgery and receiving stolen property related offenses. However, a single incident of a theft offense or conspiracy or solicitation to commit such an act, which occurred at least three (3) years prior to investigation, will not automatically result in disqualification. Such incidents may be considered, along with other matters, in determining suitability for appointment. Note: Simply having a check refused or "bounced" for nonsufficient funds does not apply.
7. Any offense involving the applicant's participation in illegal gambling as defined in the Ohio Revised Code Chapter 2915. However, a single incident of public gaming which occurred at least three (3) years prior to investigation will not automatically result in disqualification. Such incidents may be considered, along with other matters, in determining suitability for appointment.
8. Any offense committed as an adult directed against the public peace as defined in the Ohio Revised Code Chapter 2917. This shall include inciting, riot, disorderly conduct, harassment, false alarms and misconduct involving a public transportation system. However, a single incident of disorderly conduct or misconduct at an emergency that was committed at least three (3) years prior to investigation will not automatically disqualify the applicant. Such incidents may be considered, along with other matters, in determining suitability for appointment.
9. Any offense committed as an adult against the family as defined in Ohio Revised Code Chapter 2919. This shall include bigamy, abortion, non-support (2 or more incidents), child endangering and domestic violence, related offenses. However, a single incident of interference with custody that was committed at least three (3) years prior to investigation will not automatically disqualify the applicant. Such incidents may be considered along with other matters, in determining suitability for appointment.
10. Any offense committed as an adult against justice and public administration as defined in Ohio Revised Code Chapter 2921. This shall include bribery, intimidation, perjury, compounding, disclosure of confidential information, obstruction, escape, conveyance of prohibited items, peculation, dereliction and impersonation of officers, related offenses.
11. Any offense committed as an adult involving conspiracy, attempt, complicity or weapons control related offenses, as defined in Ohio Revised Code Chapter 2923. This shall include corrupt activity related offenses. However, as related to Section 2923.12, carrying concealed weapons, a single incident of improperly handling a firearm in a motor vehicle, Section (C)(4), which occurred three (3) or more years before investigation, will not automatically disqualify the applicant. Similarly, any single incident of failure to report to law enforcement authorities the loss or theft of any firearm or dangerous ordinance, Section 2923.20(A)(5), which occurred three (3) or more years before investigation, will not automatically disqualify the applicant. Such incidents may be considered, along with other matters, in determining suitability for appointment.
12. Any offense committed as an adult involving the applicant's participation in drug related offense, as defined in the Ohio Revised Code Chapter 2925.11 (C)(3)(a), possession of marijuana, a minor misdemeanor, involving ONLY personal use, all which occurred more than three (3) years prior to investigation, will not automatically disqualify the applicant. Similarly, a single incident of abusing harmful intoxicants, Section 2925.31, which occurred three (3) years prior to investigation, will not automatically disqualify the applicant. Such incidents may be considered, along with other matters, in determining suitability for appointment.

13. Any violation committed as an adult of a miscellaneous offense, as defined in the Ohio Revised Code Chapter 2927. This shall include offenses against a human corpse, interfering with housing, desecration and ethnic intimidation.

B) DRIVING RECORD

Respect for traffic laws and regulations, as demonstrated by a safe driving record, is an essential element in determining an applicant's suitability for appointment. A safe driving record will be evaluated on a case by case basis considering the frequency and type of violation.

The following will automatically disqualify the applicant.

1. Applicants with a driving record that would preclude the city from insuring them while operating a department owned vehicle.
2. Any single conviction, obtained as an adult, involving non-minor misdemeanor reckless operation (4511.20), operating a motor vehicle while under suspension (4507.02)(B)(1), or leaving the scene of an accident (4549.02) within five (5) year of investigation.
3. Any single conviction as an adult involving driving while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse (4511.19) within five (5) years of investigation.
4. More than one DUI or reckless driving conviction as an adult, regardless of the dates of the incidents (minor misdemeanor reckless driving does not apply).
5. Any other offenses committed as an adult which resulted in suspension or revocation of driving privileges on two (2) or more occasions within five years of investigation.
6. As an adult driver a demonstrated pattern of motor vehicle violations. This pattern will be identified by the number of offenses and the time frame involved.
7. As an adult driver involvement in traffic accidents to the degree that the average person would question the applicant's ability to safely operate a motor vehicle.

C) JOB HISTORY

A poor employment history may result in disqualification of the applicant. This includes a record of insubordination, absenteeism or tardiness, dishonesty, incompetence or consumption of alcohol in violation of company policy while employed. As a general rule, any conduct on the job which would result in substantial discipline if the applicant were a member of the North Ridgeville Police Department may be grounds for disqualification.

D) MILITARY HISTORY

All persons who have received a dishonorable discharge, a bad conduct discharge or other than an honorable discharge from the armed forces of the United States shall be disqualified. However, a general discharge is not an absolute bar to appointment. These will be evaluated on a case-by-case basis.

E) FINANCIAL RESPONSIBILITY

Non-favorable consideration may be given to an applicant that has established a pattern of failing to meet financial obligations in a timely fashion, such as the following.

1. Established a pattern of expending more finances than they are receiving, resulting in debts being turned over for collection on multiple occasions.
2. A demonstrated inability to manage their financial resources in a mature and responsible manner, resulting in repeated bad debts or bankruptcy.
3. Repeated failure to meet the requirements of Ohio Child Support Statues or court orders relating to child support. Violations of this item may be grounds for automatic rejection unless the failure to meet these requirements resulted from an inability to pay. In these cases, all related facts shall be considered.
4. All applicants who have current non-business personal debts, exclusive of home mortgage and auto loans, in excess of one-half (1/2) of the annual starting salary for the position being applied for may be suspended from consideration.

F) FALSIFICATION/FAILURE TO COOPERATE WITH APPLICATION PROCESS

Any applicant who willfully fails to cooperate with the North Ridgeville Police in the processing of his/her application for the position of police officer shall be eliminated from consideration. This includes failure to provide necessary information, making untrue or misleading statements in connection with the personal history statement or any part of the processing procedure, or the purposeful failure to include any information or documents requested by the North Ridgeville Police Department.

G) OTHER CONDUCT

Non-favorable consideration may be given to the applicant who has demonstrated a lack of ethics or morality. While not exhaustive, the following list suggests further investigation may be necessary.

1. Abused a position of trust through a theft of time or service.
2. An act or pattern of violating any of Ohio's ethics laws.
3. An act or pattern of engaging in acts of discrimination against persons because of their sex, race, religion, ethnic origin, sexual preference, age or handicap.
4. Demonstrated a pattern of behavior that has had an adverse effect on the everyday life of the applicant, the applicant's neighbors, the applicant's family or the applicant's associates.
5. Failure to correct behavior of an antisocial nature.
6. Any pattern of repeated abuse of authority, lack of respect for authority or law or lack of respect for the dignity and rights of others.
7. Demonstrated a pattern of substance abuse which has impaired the applicant in the pursuit of everyday life, resulting in marital problems, employment problems, financial problems, etc.

CONCLUSION

Failure by the applicant to enumerate or disclose any offense or information does not exclude such offense or information for being the basis of disqualification. Any criminal offense or material discovered through a subsequent background investigation under the proper circumstances can result in disqualification from employment as a North Ridgeville Police Officer, if it is demonstrated that the acts or omissions of the applicant were such as to make it inappropriate for him/her to serve as a police officer.

The North Ridgeville Police Department, through careful and thorough applicant processing procedures, can ensure that the highest quality candidates are employed and retained. When used properly, these standards for hiring will ensure only those applicants meeting and exceeding the "higher standard" expectations of the public are met. The citizens of North Ridgeville are entitled to this at a minimum.
