SECTION 1 - HOURS OF WORK

The work period shall generally be 40 hours of work over a seven (7) day period, starting at 12:01 a.m. Sunday to 12:00 p.m. midnight Saturday, but may be varied at the discretion of the Mayor/designee. Employees shall generally be scheduled for five (5) eight (8) hours workdays within the applicable seven (7) day period, which may be varied from time to time, at the discretion of the Mayor/designee. An employee's scheduled hours of work shall be inclusive of a paid 30-minute lunch period.

Employees may be scheduled to start their shift as early as 7:00 a.m. and end as late as 5:00 p.m. if necessary due to the nature of their assignment, and as approved by their immediate supervisor with consent of the Mayor/designee.

SECTION 2 - PROBATIONARY PERIOD

Employees designated as non-exempt and covered pursuant to the FLSA shall be required to serve a probationary period of 120 calendar days. During said period, the Employer shall have the right to discipline or discharge such employees and any such action shall not be appealable to any Civil Service Commission. During their probationary period, employees shall not be paid bereavement or holidays. If an employee is discharged during their probationary period, they shall not be eligible to be paid for any accrued but unused vacation.

SECTION 3 - OVERTIME ELIGIBILITY

Employees designated as non-exempt and covered pursuant to the FLSA shall be paid for all time actually worked in excess of eight (8) hours in one (1) day as applicable to scheduled daily hours. The overtime rate will be one and one-half (1½) times the employee’s regular rate. Leave banks may be used towards 40 hours work week but not for purposes of overtime calculation in an 8- or 10-hour day. All overtime must be pre-approved by area supervisor prior to working. Employees may, at their option, elect to accumulate up to a maximum of 240 hours of overtime in compensatory time in lieu of cash payment for overtime. Said compensatory time may be taken, at the discretion of the employee, as time off with pay when approved by the department head. Any hours earned which will result in the number of accumulated hours exceeding 240 hours must be paid. Employees may be paid any of the hours in the overtime bank up to the maximum, at their discretion, by submitting the leave cash out form in Precinct Manager. Payment will be paid in the next pay period following the notification.

Employees designated as exempt and non-covered pursuant to the FLSA shall not be eligible for overtime.

SECTION 4 - SICK LEAVE

A. Definition of Sick Leave

Sick leave shall be defined as an absence with pay necessitated by:

1. Illness or injury to the employee;
2. Disabilities due to pregnancy or delivery of child;
3. For bonding with a newborn or adopted child of the employee for a period not to exceed two (2) weeks from the date of the child's birth;
(4) Exposure of the employee to contagious disease deemed communicable to other employees and determined to be a health and safety issue by the Mayor/designee;
(5) Illness, injury or death in the employee's immediate family.

B. Definition of Immediate Family

Where the use of sick leave is due to illness or injury to the employee's immediate family, "immediate family" shall be defined to include only the employee, employee's spouse, employee's children, and employee's parents.

C. Accumulation of Sick Leave

Employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every 80 hours worked in active pay status and shall accumulate such sick leave for future use to an unlimited amount. Employees shall not accrue sick leave as a result of any separation payout made pursuant to subsection D below.

D. Payment Upon Separation

Upon the occurrence of any of the following events, an employee who has not less than ten (10) years of continued service with the Employer shall be entitled to a cash payment of the value of the herein defined amount of earned and unused sick leave hours:

(1) Retirement of the employee;
(2) Disability retirement of the employee;
(3) Death of the employee; and
(4) Separation from employment for any reason except termination for cause.

Any employee qualifying pursuant to the above provisions of this article shall be entitled to receive a cash payment equal to his/her hourly base rate of pay at that time of the occurrence of an above-listed event multiplied by ninety percent (90%) of the total number of accumulated but unused hours earned by the employee as certified by the Finance Director, provided that such resulting number of hours to be paid shall not exceed 1,000 hours of pay. If the qualifying employee is deceased, the payment shall be made pursuant to the provisions of the Ohio Revised Code 2113.04.

E. Reporting Off Work

An employee who is to be absent on sick leave shall notify their supervisor of such absence and the reason therefore at least one-half (1/2) hour prior to each day he/she is absent, except in unusual circumstances or with permission of the Mayor/designee. Failure to properly report off work shall be cause for discipline.

F. Charging of Sick Leave

Sick leave may be used in any segments. The Finance Department shall be responsible for tracking sick leave usage and balances.

G. Documentation Justifying Use of Sick Leave

Before an absence may be charged against accumulated sick leave, the Employer may require such proof
of illness/injury of the employee, or of a qualifying family member of the employee, as may be satisfactory to justify the use of sick leave, or may require the employee to be examined by a physician, paid for by the Employer and selected by the Mayor/designee. In any event, an employee absent on sick leave must supply a written and signed statement on a form provided by the Employer attesting to his/her illness to be eligible for payment of sick leave. For an absence in excess of three (3) working days or for accumulated absences of five (5) or more days in a rolling 60-day period the Employee shall be required to present a doctor's certificate at the employee's expense to justify the use, and payment of sick leave or receive approval from the Mayor/designee.

If the employee fails to submit proof of illness/injury of the employee or a qualifying family member of the employee upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Mayor/designee finds that there is no satisfactory evidence of illness/injury of the employee or of a qualifying relative of the employee sufficient to justify the employee's absence, such leave shall be considered unauthorized leave and may be without pay. Unauthorized absence without leave may subject the employee to discipline.

H. Return to Duty Medical Examination

The Mayor/designee may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his/her return to duty, to be examined by a physician designated by the Employer (at the Employer's expense) to establish that the employee is mentally and physically capable of performing the essential functions of his/her position and that his/her return to duty will not jeopardize the health and safety of the employee or other employees.

I. Fitness for Duty Medical Examination

If the Employer has a reasonable basis for believing that an employee is no longer mentally and/or physically capable of performing the essential functions of his/her position or poses a threat to himself or others, the Employer may order an examination by an appropriately qualified medical professional at the Employer's expense. Upon receipt of the medical professional's opinion on fitness for work which disqualifies the employee for return to work, the Employer and the employee will meet to discuss possible alternatives and/or accommodations.

J. Discipline

An employee must comply with all rules and regulations on sick leave in order to receive sick leave pay. Falsification of sick leave documents, or abuse of sick leave as determined by the Employer, is grounds for disciplinary action.

SECTION 5 - PAID SICK LEAVE DONATION

A. Policy: It shall be the policy of the Employer that employees with accumulated Sick Leave may donate paid Sick Leave to a fellow employee who, in strictly serious or catastrophic cases, is in need of assistance and has exhausted all of their available leave/time.

B. Purpose: The purpose of this program is to:

(1) allow employees to voluntarily provide assistance to their co-workers who are in critical need of leave due to circumstances necessitating the use of Sick Leave as set forth in Section 4(A)
above (Sick Leave);
(2) establish strict guidelines for the implementation of donation of paid Sick Leave time; and
(3) to protect the investment the Employer has made in an employee in an effort to retain that employee.

C. **Eligibility:** An employee is eligible, after one year of service, to apply for the benefit of this policy. The employee must apply through the Mayor. ALL of the following must apply to the circumstances of the recipient employee:

(1) the employee is not eligible for Worker's Compensation benefits;
(2) the employee has not been disciplined at any level for patterned use of sick leave within the previous three (3) years;
(3) the employee has exhausted all accrued time available to him/her including sick time, personal time, comp time, and vacation time; and
(4) the employee can, if requested, provide documentation through medical records that there is a bona fide medical reason for his/her inability to work.

D. **Duration:** The maximum length of time that an employee may receive benefits under this program is eight (8) pay periods.

E. **Participation of Donor Employee:**

(1) An employee is eligible after one (1) year of service and may choose to participate in the sick leave donation program.
(2) An employee must have and maintain a minimum of eight weeks (320 hours) of accumulated Sick Leave to be eligible to participate as a donor.
(3) An employee who is donating paid leave may donate up to 40 hours of sick leave per donee per incident, in increments no less than eight (8) hours. An employee may donate to an eligible recipient employee repeatedly.

F. **Application Review:** Upon receiving an application for sick leave donation, the Mayor shall review the application and:

(1) Evaluate whether there has or has not been any documented disciplinary action at any level for the patterned use of sick leave or abuse of sick leave within the previous three (3) years by the donor employee in their department; and
(2) Verify that the cause of absence is not work-related.
(3) The application is then forwarded to the Finance Director for review and verification that the employee has no time (of any nature) available to the credit of their account. The application is then forwarded to the Mayor's Office for approval or denial. If all eligibility requirements have been met and the application is approved, the application shall be returned to the Finance Director for disbursement proceedings. Transfer Participation Forms are to be distributed to all Department and Division Heads and Area Stewards for leave donations. If any eligibility requirement is not met, the application is denied and returned to the applicant who shall be advised as to the reason for denial.

G. **Disbursement of Donated Sick Leave:** Upon receiving an approved application, the Finance Department shall credit the employee approved for the donation of sick time hours under this policy and disburse in the following manner:
(1) Any time the employee has accrued shall be used first; and
(2) Then on a rotating basis from employees that have signed up to donate; the first person
submitting paperwork to donate shall be docked first, then the next person, and so on. Any
donor employee's accumulated paid leave shall be reduced in eight (8) hour increments.

The transfer of benefits shall be calculated on a prorated basis to be determined by the rate of pay of the
donor employee for the donee employee.

H. Recovery of Donated Sick Leave: In the event that an employee who has received benefits under this
program are reimbursed in any manner for the lost work time covered by this benefit, the employee
must reimburse the Employer for the pay that was received. The donor employee shall be credited
with the hours donated.

I. Unexpended balance of donated Sick Leave: An employee receiving donated Sick Leave who returns
to work may retain up to 40 hours of donated Sick Leave. Donated Sick Leave will not be eligible for
cash conversion by the recipient.

SECTION 6 – LEAVE OF ABSENCE

An employee shall be granted a leave of absence of 40 hours with pay in the event of the death of a
spouse, mother, father, stepchild or child. The employee shall be granted a leave of absence of three (3)
days with pay in the event of the death of the employee’s stepmother, stepfather, brother, sister,
grandparents, grandchildren, mother-in-law, father-in-law, spouse's grandparents, brother-in-law, sister-
in-law, daughter-in-law or son-in-law. The employee shall be entitled to 40 hours when said death is
outside the State of Ohio. Leave granted under this article shall be taken in consecutive work time
(hours/days), and must include the date of the funeral or memorial services. Employee shall be allowed, at
the sole discretion of the Mayor/designee to add time to a funeral leave, which time shall be deducted
from his/her accumulated sick leave.

SECTION 7 - HOLIDAYS

Employees shall receive a holiday benefit for the following holidays below. The holiday benefit shall be
an employee’s full day’s pay based on their scheduled shift.

benefit plus double their regular rate of pay for all hours actually worked. Employees called in on a non-
scheduled day, who work the actual day of the holiday and the week-day date on which the same holiday
is recognized by the Federal government shall receive double their regular rate of pay for all hours
actually worked.
In order to be eligible for any of the paid holidays, the employee must actually work their last schedule day before the holiday and immediately after the holiday. Vacation, compensatory time and personal time (if applicable) shall be considered time worked. Sick leave shall be considered time worked only when a licensed doctor’s certificate is supplied.

If any of the above holidays fall on a Sunday, the following Monday shall be observed as the holiday. If any of the above holidays fall on a Saturday, the preceding Friday shall be observed as the holiday.

Employees hired after June 1, 2020 shall not receive personal time. Employees hired prior to this date shall follow the personal time procedures outlined in the AFSCME contract.

SECTION 8 - VACATION

A. Accrual Amount

Employees shall be granted the following vacation leave with full pay each year based upon their length of employment with the Employer, as follows:

<table>
<thead>
<tr>

</tbody>
</table>

Employees designated as non-exempt and covered pursuant to the FLSA shall become eligible for vacation leave calculated on a pro rata basis based upon date of hire upon completion of probation. Vacation leave shall be taken no later than the employee’s anniversary date.

Employees designated as exempt and non-covered pursuant to the FLSA shall become eligible for vacation leave upon hire. Vacation leave shall be taken no later than the employee’s anniversary date.

In order to attract qualified candidates at the time of hiring, the Mayor shall have the authority to grant a newly hired exempt employee vacation credit. At the Mayor's discretion, the employee shall have a specific number of years credited to him/her and shall be placed on the vacation schedule above. The employee shall then progress forward accordingly on the vacation schedule with the credited time applied in the same manner as if it had accrued by term of service. Any vacation service credit shall be documented in writing and placed in the employee's personnel file by the Finance Director.

B. Carryover of Vacation

An employee shall be permitted to carry over up to 40 hours of vacation for use within six (6) months of the employee’s anniversary date and upon approval of the department head.

C. Cash Out of Vacation

An employee who has five (5) or more years of service shall be permitted to cash in accrued vacation time, not to exceed one-half of the employee’s annual vacation accrual. Vacation cash out requests shall be made once per calendar year at the end of the anniversary period. Employees shall submit a leave cash
out form in the timekeeping system during the pay period in which their anniversary date occurs requesting cash out of allowable vacation time.

Employees designated as exempt and non-covered pursuant to the FLSA shall be permitted to cash out any vacation time remaining on the employee’s account on his/her anniversary date after any carry forward, up to but not exceeding one half (1/2) of the employee’s annual vacation allowance.

D. Scheduling of Vacation

Employees shall be allowed to take their vacation in any increment, not to exceed two (2) consecutive weeks, unless an exception is approved by the Mayor/designee in advance of the proposed vacation. Vacation leave shall be requested at least 48 hours in advance.

E. Payment Upon Separation

If an employee eligible to receive vacation is separated from employment voluntarily or involuntarily prior to taking his/her vacation, he/she shall receive any fully earned but unused vacation leave accrued under Section A above. If the employee is deceased, the payment shall be made pursuant to the provisions of Ohio Revised Code §2113.04.

SECTION 9 - UNPAID LEAVES OF ABSENCE

A. Medical Leave of Absence

An employee who has completed his/her probationary period and who has exhausted all available leave balances shall be granted a leave of absence for a period not to exceed 180 days because of personal illness or injury or on account of pregnancy upon the request of the employee with sufficient supporting medical evidence. The length of the leave granted will be based upon the Employer's review of the supporting medical evidence. Such leave shall be without pay or benefits except that health insurance shall be provided during leaves of 180 days or less. Any leave granted under this Section may be extended at the discretion of the Mayor.

B. Military Leave

See Ordinance Ord. 4032-2004.

SECTION 10 - INSURANCE PROGRAMS

The City shall provide medical, dental and prescription Insurance Programs as determined by the Mayor/designee to all full-time employees and non-full-time employees as otherwise required by law. All employees enrolled in the Insurance Programs shall contribute monthly toward the premium cost for said insurance at the rate established by the Mayor/designee. The applicable employee contribution for any Insurance Program will be determined by using the actuarially calculated based COBRA rates if any. The employee contribution will be at the percentages defined above of those COBRA rate figures rounded to the nearest dollar. These figures may be adjusted based upon updates to the base COBRA rate. Employee contributions shall be withheld in equal or roughly equal monthly installments from the first two payrolls paid each month. Contributions withheld for each month will be for that month's enrollment (i.e., amounts withheld in January will be for January enrollment).
SECTION 11 - LIFE INSURANCE

Employees shall be supplied life insurance in the amount equal to that which is provided to members of the AFSCME bargaining unit for life insurance pursuant to the terms of the collective bargaining agreement. Said life insurance shall be provided at no cost to the employee.

SECTION 12 - SCHOOL COST REIMBURSEMENT

An employee who takes an Employer-approved college course, or work-related training course, or seminar, shall be reimbursed the actual costs of such training course, including the cost of course textbooks verifiable by receipt in an amount not to exceed the non-taxable limit established by the Internal Revenue Service per year. In order to be reimbursed, the employee must receive a grade of “C” or better, or the equivalent. As a condition precedent to any reimbursement, the Employee will enter into a contract with the City agreeing to maintain employment with the City for a period of two (2) years after the last reimbursement payment. Failure to do so will mandate reimbursement by Employee to the City for any and all previously made reimbursement payments.

The employee must obtain written approval of the Mayor or his designee in advance of enrollment to be reimbursed.

SECTION 13 - TRACKING OF LEAVE

The Finance Director shall track all leave balances (accumulation and use of leave) in accordance with the rules established by the applicable sections above and/or any policies and procedures established by the Mayor, including but not limited to the City of North Ridgeville Employee Handbook as amended from time to time by the Mayor.

SECTION 14 - PENSION PICK-UP

Employees designated as exempt and non-covered pursuant to the FLSA shall be eligible for Pension pick-up based on the following:

A. The Employer's method of payment of salary and the provision of fringe benefits for all employees who are members of OPERS (referred to herein as “Covered Employees”) shall be modified as follows, in order to provide for a salary reduction pick-up and, for certain Covered Employees, a fringe benefit pick-up of employee contributions to OPERS, in accordance with Code Section 414(h)(2) and the rulings thereunder.

B. The total annual salary and salary per pay period for each Covered Employee shall be the salary otherwise payable per-ordinance and applicable Employer policies. Such total annual salary and salary per pay period of each Covered Employee shall be payable by the Employer in two parts: (1) deferred salary and (2) cash salary. A Covered Employee's deferred salary shall be equal to the percentage of his/her total annual salary or salary per pay period which is required to be paid to OPERS as an employee contribution under OPERS; and such amount shall be paid by the Employer directly to OPERS on behalf of the said employee as a "salary reduction pick-up" of the OPERS employee contribution of said employee. A Covered Employee's cash salary shall be equal to his/her total annual salary or salary per pay period less the amount of the salary reduction pick-up for said employee and shall be payable to him, subject to applicable payroll deductions. Notwithstanding the preceding, as an additional fringe benefit of employment on behalf of Covered Employees the
Employer shall pay directly to OPERS, as an employee contribution under OPERS, an amount equal to four (4%) percent of the salary of such employees in lieu of such amount being deducted from the total annual salary or salary per pay period of such employees and paid to OPERS as deferred salary pursuant to the salary reduction pick-up. The payment of the said amount in lieu of part of the salary reduction pick-up is hereinafter referred to as the "fringe benefit pick-up." The cash salary of Covered Employees entitled to the fringe benefit pick-up shall be the total annual salary or salary per pay period of such employees less the remaining salary reduction pick-up, subject to applicable payroll deductions.

C. The salary reduction pick-up, but not the fringe benefit pick-up, shall be included in the Covered Employee's total annual salary for the purpose of computing daily rate of pay, for determining paid salary adjustments to be made due to absence, or for any similar purpose.

D. The salary reduction pick-up and fringe benefit pick-up by the Employer of a Covered Employee's contributions to OPERS shall be mandatory for all Covered Employees. No Covered Employees shall have the option of choosing the pick-up amounts directly instead of having them paid by the Employer to OPERS.

E. The Employer shall fulfill its income tax reporting and withholding responsibilities for each Covered Employee in such manner as is required by applicable federal, state, and local laws and regulations as they may exist at the time of such reporting and withholding, it being the Employer's understanding that the fringe benefit pick-up is not subject to any income or employment taxes; and that federal and Ohio income tax laws and regulations presently require it to report as an employee's gross income his/her total annual salary less the amount of the salary reduction pick-up (i.e., his/her cash salary) while applicable federal employment tax laws (i.e., the Medicare tax law) require it, and municipal income tax laws may require it to report as an employee's gross income his/her total annual salary including the amount of the salary reduction pick-up.

F. The Employer shall take all acts necessary and appropriate to ensure the continued implementation of this resolution, including but not limited to, making applications to the Internal Revenue Service and the Board administering the OPERS program to determine the requirements of the Internal Revenue Service and such Board in connection with such pick-up plan. The Employer reserves the right to modify the terms of this pick-up to the extent it reasonably deems is necessary for obtaining the approval of OPERS and/or the Internal Revenue Service.

G. Pension pick-up as set forth above shall apply to the position of Mayor beginning the term following the adoption of this Ordinance.

Employees designated as non-exempt and covered pursuant to the FLSA shall not be eligible for Pension pick-up.

A. The Employer’s method of payment of salary and the provision of fringe benefits for all employees who are members of OPERS (referred to herein as “Covered Employees”) shall be in accordance with Code Section 414(h)(2) and the rulings thereunder. The provisions of this Article shall become effective for the first payroll period beginning after the first date this contract is ratified by the Union and is approved by the City Council.
B. The salary reduction pick-up, shall be included in the Covered Employee’s total annual salary for the purpose of computing daily rate of pay, for determining paid salary adjustments to be made due to absence, or for any similar purpose.

C. The salary reduction pick-up is mandatory for all covered employees.

D. The Employer shall fulfill its income tax reporting and withholding responsibilities for each Covered Employee in such manner as is required by applicable federal, state and local laws and regulations as they may exist at the time of such reporting and withholding.

E. The Employer shall take all acts necessary and appropriate to ensure the continued implementation of this resolution, including but not limited to, making applications to the Internal Revenue Service and the Board administering the OPERS program to determine the requirements of the Internal Revenue Service and such board. The Employer reserves the right to modify the terms of this pick-up to the extent it reasonably deems is necessary for obtaining the approval of OPERS and/or the Internal Revenue Service; and if approval of OPERS and/or the Internal Revenue Service cannot be obtained for the terms of this pick-up, the parties shall meet and negotiate pursuant to the severability clause.

SECTION 15 - LONGEVITY

A. For all employees hired after March 1, 2014, covered by this Ordinance, longevity shall be paid according to the following schedule. Longevity will be paid in a lump sum within the pay period in which the employee’s anniversary falls. Longevity shall continue to be awarded on the employee’s successive anniversary date in accordance with this schedule.
