thereof and (b) with respect to Current Interest Bonds, a denomination of $1,000 or any whole
multiple thereof.

“Bond proceedings” means, collectively, this ordinance, the Certificate of Award, the

The captions and headings in this ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this ordinance unless otherwise indicated.

Section 2. Authorized Principal Amount and Purpose; Application of Proceeds. It is necessary to issue bonds of this City in a maximum aggregate principal amount of $12,500,000 (the
Bonds) to provide funds for the purpose of constructing, furnishing, equipping and otherwise improving a new police station and an adjacent storage facility for evidence and police equipment and preparing, equipping and otherwise improving their site, being bonds approved at the election identified in the first preamble of this ordinance.

Subject to the limitations set forth in this ordinance, the aggregate principal amount of the Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates or compounding interest rate or rates that the Bonds shall bear and certain other terms and provisions of the Bonds identified in this ordinance are subject to further specification or determination by the Mayor and the Auditor in the Certificate of Award upon the finalization of the terms and provisions of the Bonds. The aggregate principal amount of Bonds to be issued, as so specified in the Certificate of Award, shall be the amount determined by the Mayor and the Auditor to be necessary, taking into account any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, to carry out the purpose for which the Bonds are to be issued in a manner consistent with the agreements and covenants of the City set forth in this ordinance.

The proceeds from the sale of the Bonds, except any premium and accrued interest, shall be paid into a separate fund of this City established for the purpose set forth in this Section pursuant to Sections 5705.09 and 5705.10 of the Revised Code, and those proceeds are appropriated and shall be used for that purpose. The expenditure of those proceeds for that purpose, including, without limitation, for the payment of financing costs as defined in Section 133.01 of the Revised Code, is hereby authorized and approved. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds) shall be determined by the Mayor and the Auditor in the Certificate of Award, having due regard to the best interest of and financial advantages to the City. The Bonds shall be dated as of the Closing Date.

(a) Interest Rates and Payment Dates. The Current Interest Bonds shall bear the rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), not exceeding 10% per year for any stated maturity, as shall be specified by the Mayor and the Auditor (subject to the provisions of subsection (c) of this Section) in the Certificate of Award. Interest on the Current Interest Bonds shall be payable on each Interest Payment Date until the principal amount has been paid or provided for. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), not exceeding 25% per year for any stated maturity, accrued and
compounded on each Interest Accretion Date and payable at maturity, which will result in the aggregate Maturity Amounts payable at maturity, as shall be specified by the Mayor and the Auditor (subject to the provisions of subsection (c) of this Section) in the Certificate of Award. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond as of that date exceeds the principal amount of that Capital Appreciation Bond.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements (as hereinafter defined and described) on the Principal Payment Dates in the following years and principal amounts:

; provided that, subject to the limitations set forth in Sections 1 and 2 and subsection (c) of this Section 3, the principal amount of Bonds maturing or subject to Mandatory Sinking Fund Redemption Requirements on any one or more of the Principal Payment Dates may be increased or decreased as specified by the Mayor and the Auditor in the Certificate of Award, consistently with their determination of the best interest of and financial advantages to the City.

Consistently with the foregoing and in accordance with their determination of the amount needed for the purpose set forth in Section 2 and the best interest of and financial advantages to the City, the Mayor and the Auditor shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued, (ii) the aggregate principal amount of Bonds to be issued as Current Interest Bonds, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Current Interest Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, (iv) the aggregate principal amount of Current Interest Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (Mandatory Redemption Dates) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date, and (v) the aggregate principal amount of Bonds to be issued as Capital Appreciation Bonds, if any, and the corresponding aggregate Maturity Amount of any such Bonds, the Principal Payment Date or Dates
on which any such Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year. The weighted average of the rate or rates of interest per year to be borne by the Bonds, determined by taking into account the respective principal amounts of the Bonds and terms to maturity or mandatory redemption, as applicable, of those principal amounts of Bonds, shall not exceed 6% per year.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds at the designated corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person’s address appearing, on the Bond Register at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Auditor, in the name and on behalf of the City, in connection with the book entry system.

The City reserves the right to order the Bond Registrar to return to it any money held by the Bond Registrar for the payment of (i) checks or drafts for the payment of interest on the Bonds or (ii) principal of or premium on Bonds, which checks, drafts or Bonds have not been presented for payment within four years following the date on which payment of the interest or principal represented thereby came due. Thereafter, the registered owners shall look only to the City for payment of the interest and principal represented by those checks, drafts and Bonds.

(e) Redemption Provisions. The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to stated maturity. Except as may otherwise be specified by the Mayor and the Auditor in the Certificate of Award consistently with their determination of the best interest of and financial advantages to the City, the Current Interest Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Current Interest Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date,
on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts, the Mandatory Sinking Fund Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Auditor, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Auditor, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and to bear interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Auditor, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Auditor, for Term Bonds stated
to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) **Optional Redemption.** The Current Interest Bonds maturing on or after December 1, 2032 shall be subject to redemption, by and at the sole option of the City, either in whole or in part, in whole multiples of $5,000, on any date on or after December 1, 2031, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date.

Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Auditor to the Bond Registrar, given upon the direction of this Council by passage of an ordinance. That notice shall specify the redemption date and the principal amount of each maturity, and each interest rate within a maturity, of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) **Partial Redemption.** If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity or interest rate within a maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates within a maturity selected by the City. If fewer than all of the Bonds of a single maturity or interest rate within a maturity are to be redeemed, the selection of Bonds of that maturity or interest rate within a maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) **Notice of Redemption.** The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the
place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of subsection (d) of Section 3 and Section 5, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Auditor, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and
approved by the Auditor, shall be numbered as determined by the Auditor in order to distinguish each Bond from any other Bond and to distinguish Current Interest Bonds from any Capital Appreciation Bonds, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to pursuant to Chapter 133 of the Revised Code, the approval of the voters at the election identified in the first preamble hereto, this ordinance and the Certificate of Award.

Zions Bancorporation, National Association, is appointed to act as the initial Bond Registrar. The Mayor and the Auditor shall sign and deliver, in the name and on behalf of the City and in their official capacities, the Registrar Agreement between the City and the Bond Registrar, in substantially the form as is now on file with the Clerk of Council. The Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Mayor, the Auditor and the Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto. The Auditor shall provide for payment for the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Auditor on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to the provisions of subsection (d) of Section 3 and subsection (c) of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Subject to any inhibitions of book entry form during any period in which the Bonds are in book entry form, any Bond may be (i) exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar, and (ii)
transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign or provide for signing and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this ordinance, if the Mayor and the Auditor determine in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and interest rate within a maturity and registered in the name of the Depository or its nominee, as registered owner, and deposited with and retained in the custody of the Depository or its agent, which may be the Bond Registrar; (ii) the owners of book entry interests in Bonds shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Auditor may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Auditor does not or is unable to do so, the Auditor, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the
Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Mayor and the Auditor are each hereby also authorized and directed to the extent necessary or required to enter into any agreements, in the name and on behalf of the City, that either determines to be necessary in connection with a book entry system for the Bonds, after determining that the signing thereof will not endanger the funds or securities of the City.

(a) To the Original Purchaser. The Bonds shall be awarded and sold by the Mayor and the Auditor to the Original Purchaser at private sale at a purchase price not less than 97% of the aggregate principal amount thereof plus accrued interest on the Current Interest Bonds from their date to the Closing Date, as shall be determined by the Mayor and the Auditor in the Certificate of Award and with and upon such other terms as are required or authorized by this ordinance to be specified in the Certificate of Award, in accordance with law, the provisions of this ordinance and the Purchase Agreement.

The Mayor and the Auditor shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Auditor, the Director of Law, the Treasurer, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance.

The Mayor and the Auditor are authorized to sign and deliver, in the name and on behalf of the City and in their official capacities, a Purchase Agreement between the City and the Original Purchaser, in substantially the form as is now on file with the Clerk of Council, providing for the sale of the Bonds to, and the purchase of the Bonds by, the Original Purchaser. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance or the Certificate of Award and not substantially adverse to the City and that are approved by the Mayor, the Auditor and the Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments to that Agreement.

(b) Primary Offering Disclosure -- Official Statement. The Mayor and the Auditor are authorized and directed, on behalf of the City and in their official capacities, to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, a disclosure document in the form of an official statement relating to the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City as of its date or is a final official statement for purposes of paragraph (b) of the Rule, (iii) use and distribute, or authorize the use and distribution of those official statements and any supplements thereto in connection with the original issuance of the Bonds, and (iv) complete and sign the final official statement and any supplements thereto, together with
such certificates, statements or other documents in connection with the finality, accuracy and completeness of those official statements and any supplements as they may deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Mayor and the Auditor are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City and in their official capacities, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Mayor, the Auditor and Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Auditor is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Auditor shall consult with and obtain legal advice from, as appropriate, the Director of Law and bond counsel or other qualified independent special counsel selected by the City. The Auditor, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Mayor or the Auditor, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on all or a portion of the Bonds, is in the best interest of and financially advantageous to this City, the Mayor or the Auditor may prepare and submit those applications. The Auditor is also authorized to provide to each such agency or company such information as may be required for the purpose and, if it is, in her judgment, in the best interest of and financially advantageous to the City, to accept a commitment for insurance issued by a nationally recognized municipal bond insurance company insuring the payment when due of the principal of and interest on all or any portion of the Bonds. The Mayor and the Auditor may enter into any agreements, on behalf of and in the name of the City, that they determine to be necessary or required to obtain such ratings or insurance, which agreements may be included in the Registrar Agreement.

The expenditure of the amounts necessary to secure a rating or ratings on the Bonds and any such policy and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Purchase Agreement, is authorized and approved, and the Auditor is authorized to provide for the payment of the cost of obtaining each such rating, any such policy and all such other financing costs, except to the extent paid by the Original Purchaser in accordance with the Purchase Agreement,
from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 7. **Provisions for Tax Levy.** There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be unlimited as to amount or rate, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

Section 8. **Federal Tax Considerations.** The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, and (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Auditor, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation, any of the elections provided for or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the
Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on the Bonds.

Section 9. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver to the Lorain County Auditor a certified copy of this ordinance and a signed copy of the Certificate of Award as soon as each is available.

Section 10. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City of North Ridgeville have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 11. Retention of Legal Services. The legal services of the law firm of Squire Patton Boggs (US) LLP as bond and disclosure counsel be and are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions and advice, all as set forth in the form of engagement letter dated as of January 18, 2022, now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Law is authorized and directed to sign and deliver the engagement letter, and, to the extent they are not paid by the Original Purchaser in accordance with the Purchase Agreement, the Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 12. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this ordinance were taken, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.
Section 13. **Effective Date.** This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Bonds, which is necessary to enable the City to take advantage of favorable market conditions and to enable the City to timely enter into and meet its obligations under contracts for the improvements described in Section 2 which are urgently needed to enhance the facilities and support the operations of the City’s Police Department and thereby to promote the safety of persons and property, this ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

PRESIDENT OF COUNCIL

ATTEST:

CLERK OF COUNCIL

APPROVED: Jan 24, 2022

MAYOR
AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF $1,400,000 OF NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS, TO PROVIDE FUNDS TO PAY COSTS OF RENOVATING, REMODELING, ADDING TO, FURNISHING, EQUIPPING AND OTHERWISE IMPROVING THE CITY’S FIRE STATION NO. 2 AND IMPROVING ITS SITE, TOGETHER WITH THE NECESSARY APPURTENANCES AND WORK INCIDENTAL THERETO; AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Ordinance No. 5703-2020 passed by this Council on February 18, 2020, a note in anticipation of bonds in the amount of $1,400,000 was issued for the purpose stated in Section 1 as a part of a consolidated issue of $3,815,000 Capital Improvement Notes, Series 2020, dated March 12, 2020, which note was retired at maturity with funds available to the City and proceeds of a $1,400,000 note (the Outstanding Note) issued in anticipation of bonds pursuant to Ordinance No. 5791-2021 passed on February 1, 2021, as a part of a consolidated issue of $3,315,000 Capital Improvement Notes, Series 2021, dated March 9, 2021, which Outstanding Note is to mature on March 9, 2022; and

WHEREAS, this Council finds and determines that the City should retire the Outstanding Note with the proceeds of the Notes described in Section 3 and other funds available to the City; and

WHEREAS, the Auditor as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of each class of the improvements described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is at least twenty years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is March 12, 2040, which is 240 months from the date of issuance of the original note issued for the improvements;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of North Ridgeville, Lorain County, Ohio, that:

Section 1. It is necessary to issue bonds of this City in the aggregate principal amount of $1,400,000 (the Bonds) to provide funds to pay costs of renovating, remodeling, adding to, furnishing, equipping and otherwise improving the City’s Fire Station No. 2 and improving its site, together with the necessary appurtenances and work incidental thereto.
Section 2. The Bonds shall be dated approximately March 1, 2023, shall bear interest at the now estimated rate of 4.00% per year, payable semi-annually until the principal amount is paid, and are estimated to mature in twenty annual principal installments that are substantially equal. The first installment of principal of the Bonds is estimated to be payable on December 1, 2024, and the first installment of interest on the Bonds is estimated to be payable on December 1, 2023.

Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount of $1,400,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Note. The Notes shall be dated the date of their issuance, and shall mature one year from the date of their issuance; provided that the Auditor may, if it is determined to be necessary or advisable to the sale of the Notes, establish a different maturity date for the Notes that is up to thirty days earlier than one year from the date of their issuance, by setting forth that maturity date in a certificate awarding the sale of the Notes in accordance with Section 6 of this ordinance (the Certificate of Award). The Notes shall bear interest at a rate or rates not to exceed 4.00% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. Subject to the limitation set forth in this Section, the rate of interest on the Notes shall be determined by the Auditor in the Certificate of Award.

Section 4. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America, without deduction for services of the City’s paying agent, at the designated corporate trust office of Zions Bancorporation, National Association, or at the principal office of a bank or trust company requested by the original purchaser of the Notes, provided that such request shall be approved by the Auditor after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Auditor is authorized to enter into any agreements determined necessary in connection with obtaining the services of a paying agent for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 5. The Notes shall be signed by the Mayor and the Auditor, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Auditor, provided that no Note of the issue shall be issued in a denomination less than $100,000 or be exchangeable for other Notes in denominations less than $100,000; and provided further that the entire principal amount may be represented by a single note. The Notes may be issued as fully registered securities (for which the Auditor will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code, with a single physical note certificate representing the entire issue (or the consolidated issue into which it is combined with one or more other note issues of the City in accordance with Section 6 of this ordinance), if it is determined by the Auditor that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Auditor and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of the City’s Charter, Chapter 133 of the Revised Code and this ordinance.
As used in this Section and this ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes (book entry interests) may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes deposited with and retained in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of book entry interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of book entry interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and deposited with and retained in the custody of the Depository or its agent for that purpose; (ii) the owners of book entry interests shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Auditor may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Auditor does not or is unable to do so, the Auditor, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Auditor is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.
Section 6. The Notes shall be sold by the Auditor to KeyBanc Capital Markets Inc., Cleveland, Ohio, at private sale at a purchase price not less than par and any accrued interest in accordance with law and the provisions of this ordinance and the Certificate of Award referred to in Section 3. The Auditor is authorized, if she determines it to be in the best interest of the City, to combine the Notes with one or more other unvoted general obligation bond anticipation note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code; provided that no note of that issue shall be issued in a denomination less than $100,000 or be exchangeable for other notes in denominations less than $100,000. If the Notes are combined with one or more other such note issues of the City into a consolidated note issue, a single Certificate of Award may be utilized for the consolidated issue if appropriate and consistent with the terms of this ordinance.

The Auditor shall sign the Certificate of Award referred to in Section 3 specifying the interest rate the Notes shall bear, the final purchase price of the Notes and certain other final terms of the Notes and evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

The Mayor, the Auditor, the Treasurer, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance.

Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Section 141 or 148 of
the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Auditor, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as “qualified tax-exempt obligations” if such designation or treatment is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this Section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Notes.
Section 11. If in her judgment it is appropriate, the Auditor is authorized to request a rating for the Notes from Moody’s Investors Service, Inc. or S&P Global Ratings, or both, as she determines is in the best interest of the City.

The expenditure of the amounts necessary to secure any such rating or ratings on the Notes and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes, to the extent not paid by the original purchaser, is authorized and approved, and the Auditor is authorized to provide for the payment of the cost of obtaining any such rating and all such other financing costs, except to the extent paid by the original purchaser, from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 12. The legal services of the law firm of Squire Patton Boggs (US) LLP be and are hereby retained as bond counsel to the City. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and rendering at delivery a related legal opinion, all as set forth in the form of the engagement letter dated as of January 18, 2022, now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Law is authorized and directed to sign and deliver the engagement letter, and the Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13. The Clerk of Council is directed to deliver a certified copy of this ordinance to the Lorain County Auditor.

Section 14. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City of North Ridgeville have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 15. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this ordinance were taken, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.
Section 16. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to retire the Outstanding Note at its maturity and thereby to preserve the credit of the City; wherefore, this ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

ORDINANCE NO. 5895-2022

AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF $1,135,000 OF NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS, TO PROVIDE FUNDS TO PAY COSTS OF IMPROVING AN EXTENSION OF RANGER WAY, BAINBRIDGE ROAD AND A REALIGNED KENSSINGTON DRIVE BETWEEN CERTAIN TERMINI; AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Ordinance No. 5705-2020 passed by this Council on February 18, 2020, a note in anticipation of bonds in the amount of $1,135,000 was issued for the purpose stated in Section 1 as a part of a consolidated issue of $3,815,000 Capital Improvement Notes, Series 2020, dated March 12, 2020, which note was retired at maturity with funds available to the City and proceeds of a $1,135,000 note (the Outstanding Note) issued in anticipation of bonds pursuant to Ordinance No. 5792-2021 passed on February 1, 2021, as a part of a consolidated issue of $3,315,000 Capital Improvement Notes, Series 2021, dated March 9, 2021, which Outstanding Note is to mature on March 9, 2022; and

WHEREAS, this Council finds and determines that the City should retire the Outstanding Note with the proceeds of the Notes described in Section 3 and other funds available to the City; and

WHEREAS, the Auditor as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of each class of the improvements described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is at least twenty years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is March 12, 2040, which is 240 months from the date of issuance of the original note issued for the improvements;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of North Ridgeville, Lorain County, Ohio, that:

Section 1. It is necessary to issue bonds of this City in the aggregate principal amount of $1,135,000 (the Bonds) to provide funds to pay costs of improving (i) an extension of Ranger Way from its current southern terminus southerly a distance of approximately 1,600 feet to Bainbridge Road by clearing, grading and otherwise preparing the surface, constructing a pavement base, curbs, gutters and other drainage improvements and a multi-purpose trail, surfacing and resurfacing the roadway and installing street lighting and signage, (ii) Bainbridge Road from a point approximately 380 feet west of its intersection with the extended Ranger Way easterly to a point approximately
265 feet east of that intersection by grading, widening, draining, constructing and reconstructing the pavement base, surfacing and resurfacing and installing street lighting and signage, and (iii) a realigned Kensington Drive from a point approximately 400 feet northwest of its current intersection with Bainbridge Road easterly to a new intersection with the extended Ranger Way by clearing, grading and otherwise preparing the surface, constructing a pavement base, curbs, drainage improvements and sidewalks, surfacing and resurfacing the roadway and installing signage and of abandoning its existing intersection with Bainbridge Road and removing the existing pavement from that intersection northwesterly to the realigned Kensington Drive, in each case together with necessary appurtenances and work incidental thereto, and acquiring real estate and interests therein in connection therewith.

Section 2. The Bonds shall be dated approximately March 1, 2023, shall bear interest at the now estimated rate of 4.00% per year, payable semi-annually until the principal amount is paid, and are estimated to mature in twenty annual principal installments that are substantially equal. The first installment of principal of the Bonds is estimated to be payable on December 1, 2024, and the first installment of interest on the Bonds is estimated to be payable on December 1, 2023.

Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount of $1,135,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Note. The Notes shall be dated the date of their issuance, and shall mature one year from the date of their issuance; provided that the Auditor may, if it is determined to be necessary or advisable to the sale of the Notes, establish a different maturity date for the Notes that is up to thirty days earlier than one year from the date of their issuance, by setting forth that maturity date in a certificate awarding the sale of the Notes in accordance with Section 6 of this ordinance (the Certificate of Award). The Notes shall bear interest at a rate or rates not to exceed 4.00% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. Subject to the limitation set forth in this Section, the rate of interest on the Notes shall be determined by the Auditor in the Certificate of Award.

Section 4. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America, without deduction for services of the City’s paying agent, at the designated corporate trust office of Zions Bancorporation, National Association, or at the principal office of a bank or trust company requested by the original purchaser of the Notes, provided that such request shall be approved by the Auditor after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Auditor is authorized to enter into any agreements determined necessary in connection with obtaining the services of a paying agent for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 5. The Notes shall be signed by the Mayor and the Auditor, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Auditor, provided that no Note of the issue shall be issued in a denomination less than $100,000 or be exchangeable for other Notes in denominations less than $100,000; and provided further that the entire principal amount may be represented by a single note. The Notes
may be issued as fully registered securities (for which the Auditor will serve as note registrar) and in
book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the
Revised Code, with a single physical note certificate representing the entire issue (or the
consolidated issue into which it is combined with one or more other note issues of the City in
accordance with Section 6 of this ordinance), if it is determined by the Auditor that issuance of fully
registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall
not have coupons attached, shall be numbered as determined by the Auditor and shall express upon
their faces the purpose, in summary terms, for which they are issued and that they are issued
pursuant to the provisions of the City’s Charter, Chapter 133 of the Revised Code and this
ordinance.

As used in this Section and this ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the
ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes (book
entry interests) may be transferred only through a book entry, and (ii) a single physical Note
certificate is issued by the City and payable only to a Depository or its nominee, with such Notes
deposited with and retained in the custody of the Depository or its agent for that purpose. The book
entry maintained by others than the City is the record that identifies the owners of book entry
interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law
operating and maintaining, with its Participants or otherwise, a book entry system to record
ownership of book entry interests in the Notes or the principal of, and interest on, the Notes and to
effect transfers of the Notes, in book entry form, and includes and means initially The Depository
Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry
system and includes security brokers and dealers, banks and trust companies, and clearing
corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as
long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note
made payable to the Depository or its nominee and deposited with and retained in the custody of the
Depository or its agent for that purpose; (ii) the owners of book entry interests shall have no right to
receive the Notes in the form of physical securities or certificates; (iii) ownership of book entry
interests shall be shown by book entry on the system maintained and operated by the Depository
and its Participants, and transfers of the ownership of book entry interests shall be made only by
book entry by the Depository and its Participants; and (iv) the Notes as such shall not be
transferable or exchangeable, except for transfer to another Depository or to another nominee of a
Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use
in a book entry system, the Auditor may attempt to establish a securities depository/book entry
relationship with another qualified Depository. If the Auditor does not or is unable to do so, the
Auditor, after making provision for notification of the book entry interest owners by the then
Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Auditor is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6. The Notes shall be sold by the Auditor to KeyBanc Capital Markets Inc., Cleveland, Ohio, at private sale at a purchase price not less than par and any accrued interest in accordance with law and the provisions of this ordinance and the Certificate of Award referred to in Section 3. The Auditor is authorized, if she determines it to be in the best interest of the City, to combine the Notes with one or more other unvoted general obligation bond anticipation note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code; provided that no note of that issue shall be issued in a denomination less than $100,000 or be exchangeable for other notes in denominations less than $100,000. If the Notes are combined with one or more other such note issues of the City into a consolidated note issue, a single Certificate of Award may be utilized for the consolidated issue if appropriate and consistent with the terms of this ordinance.

The Auditor shall sign the Certificate of Award referred to in Section 3 specifying the interest rate the Notes shall bear, the final purchase price of the Notes and certain other final terms of the Notes and evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

The Mayor, the Auditor, the Treasurer, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance.

Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall
be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Section 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Auditor, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as “qualified tax-exempt obligations” if such designation or treatment is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other
facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this Section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Notes.

Section 11. If in her judgment it is appropriate, the Auditor is authorized to request a rating for the Notes from Moody’s Investors Service, Inc. or S&P Global Ratings, or both, as she determines is in the best interest of the City.

The expenditure of the amounts necessary to secure any such rating or ratings on the Notes and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes, to the extent not paid by the original purchaser, is authorized and approved, and the Auditor is authorized to provide for the payment of the cost of obtaining any such rating and all such other financing costs, except to the extent paid by the original purchaser, from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 12. The legal services of the law firm of Squire Patton Boggs (US) LLP be and are hereby retained as bond counsel to the City. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and rendering at delivery a related legal opinion, all as set forth in the form of the engagement letter dated as of January 18, 2022, now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Law is authorized and directed to sign and deliver the engagement letter, and the Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13. The Clerk of Council is directed to deliver a certified copy of this ordinance to the Lorain County Auditor.

Section 14. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City of North Ridgeville have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general
property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 15. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this ordinance were taken, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

Section 16. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to retire the Outstanding Note at its maturity and thereby to preserve the credit of the City; wherefore, this ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

It is necessary to issue and this Council determines that notes in the aggregate principal amount of $280,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Note. The Notes shall be dated the date of their issuance, and shall mature one year from the date of their issuance; provided that the Auditor may, if it is determined to be necessary or advisable to the sale of the Notes, establish a different maturity date for the Notes that is up to thirty days earlier than one year from the date of their issuance, by setting forth that maturity date in a certificate awarding the sale of the Notes in accordance with Section 6 of this ordinance (the Certificate of Award). The Notes shall bear interest at a rate or rates not to exceed 4.00% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. Subject to the limitation set forth in this Section, the rate of interest on the Notes shall be determined by the Auditor in the Certificate of Award.

Section 4. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America, without deduction for services of the City’s paying agent, at the designated corporate trust office of Zions Bancorporation, National Association, or at the principal office of a bank or trust company requested by the original purchaser of the Notes, provided that such request shall be approved by the Auditor after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Auditor is authorized to enter into any agreements determined necessary in connection with obtaining the services of a paying agent for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 5. The Notes shall be signed by the Mayor and the Auditor, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Auditor, provided that the entire principal amount may be represented by a single note. The Notes may be issued as fully registered securities (for which the Auditor will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code, with a single physical note certificate representing the entire issue (or the consolidated issue into which it is combined with one or more other note issues of the City in accordance with Section 6 of this ordinance), if it is determined by the Auditor that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall
not have coupons attached, shall be numbered as determined by the Auditor and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of the City’s Charter, Chapter 133 of the Revised Code and this ordinance.

As used in this Section and this ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes (book entry interests) may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes deposited with and retained in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of book entry interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of book entry interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and deposited with and retained in the custody of the Depository or its agent for that purpose; (ii) the owners of book entry interests shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Auditor may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Auditor does not or is unable to do so, the Auditor, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.
The Auditor is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6. The Notes shall be sold by the Auditor to KeyBanc Capital Markets Inc., Cleveland, Ohio, at private sale at a purchase price not less than par and any accrued interest in accordance with law and the provisions of this ordinance and the Certificate of Award referred to in Section 3. The Auditor is authorized, if she determines it to be in the best interest of the City, to combine the Notes with one or more other unvoted general obligation bond anticipation note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code; provided that, if the aggregate principal amount of the consolidated issue is $1,000,000 or more, no note of that issue shall be issued in a denomination less than $100,000 or be exchangeable for other notes in denominations less than $100,000. If the Notes are combined with one or more other such note issues of the City into a consolidated note issue, a single Certificate of Award may be utilized for the consolidated issue if appropriate and consistent with the terms of this ordinance.

The Auditor shall sign the Certificate of Award referred to in Section 3 specifying the interest rate the Notes shall bear, the final purchase price of the Notes and certain other final terms of the Notes and evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

The Mayor, the Auditor, the Treasurer, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance.

Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is
irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Section 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Auditor, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as “qualified tax-exempt obligations” if such designation or treatment is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this Section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such
compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Notes.

Section 11. If in her judgment it is appropriate, the Auditor is authorized to request a rating for the Notes from Moody’s Investors Service, Inc. or S&P Global Ratings, or both, as she determines is in the best interest of the City.

The expenditure of the amounts necessary to secure any such rating or ratings on the Notes and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes, to the extent not paid by the original purchaser, is authorized and approved, and the Auditor is authorized to provide for the payment of the cost of obtaining any such rating and all such other financing costs, except to the extent paid by the original purchaser, from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 12. The legal services of the law firm of Squire Patton Boggs (US) LLP be and are hereby retained as bond counsel to the City. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and rendering at delivery a related legal opinion, all as set forth in the form of the engagement letter dated as of January 18, 2022, now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Law is authorized and directed to sign and deliver the engagement letter, and the Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13. The Clerk of Council is directed to deliver a certified copy of this ordinance to the Lorain County Auditor.

Section 14. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City of North Ridgeville have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 15. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this ordinance were taken,
and that all deliberations of this Council and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

Section 16. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public health, safety and welfare of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to retire the Outstanding Note at its maturity and thereby to preserve the credit of the City; wherefore, this ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.
