Scope

Project Location:

Street Address: 7565 Avon Belden Road
City: North Ridgeville
Zip Code: 44039
County: Lorain
Describe the scope of the entire project:

The North Ridgeville Veterans Memorial group will build an Armed Services Veterans Memorial to serve as a functional community gathering place to thank, honor, and celebrate the lives of all who served America by creating a place of respect, of pride, of hope, and a demonstration of patriotism. State dollars will be used to assist in the construction cost of the monument. The project will be completed using local companies organized by a team lead to successfully build the monument within a given time period that will create a minimal disruption to the parks system in the city of North Ridgeville. The community will benefit from this place of honor with a key component being that of the education piece so that each person who walks through the memorial will learn about the city of North Ridgeville's influence on each American conflict.

Describe how the project supports culture:

The Veterans Memorial in North Ridgeville will help to preserve our state’s and city’s culture heritage and to provide a place of honor for those who have served in the Armed Forces. Program funding will also improve outdoor recreation and outdoor recreation access to people of all physical abilities. Our organization has existed as a 501c3 nonprofit since June of 2021. We currently have six board members who meet monthly. We are working in conjunction with the North Ridgeville Historic Society and the North Ridgeville VFW Post to ensure we honor all and in a respectful manner. We have secured donations from over six local companies, sold close to 100 bricks that are to be used at the memorial site that depicts the name and armed forces of the honored. Our goal from the start was to create a monument that would be suitable to honor those who served and gave the ultimate sacrifice. We also have stayed true to making this project a local, city wide initiative that all community members can be part of and proud of.

Is the facility listed on the National Register of Historic Places?

Other Information (optional)

Relevant information not included elsewhere in this submittal:

The North Ridgeville Veterans Memorial group will construct a memorial to honor those who served in the United States Armed Forces, along with a fountain to remember the fallen. The memorial will be connected to the City parks system. The memorial itself will begin with a path that opens up to the six service flags circled around memorial bricks of veterans. As one continues down the path, they will encounter a soldier standing guard over a half circle path through the trees that will be centered around a fountain with the names of the fallen from North Ridgeville. The project will incorporate large sandstone blocks that will be along a path. Each sandstone block will describe the conflict along with how the residents of North Ridgeville took part in that conflict. We are working with the local Historical Society.
to ensure accurate facts. The memorial will be a destination for students, residents, and citizens of the surrounding area to learn about how each conflict the United States fought in, was impacted by the residents of North Ridgeville. The City of North Ridgeville has a long history that dates back to the Revolutionary War. These stories are not very well known. North Ridgeville has lacked any type of remembrance to those who sacrificed for our freedoms. It is never too late to honor their sacrifice, but it is unacceptable to not have a memorial with such a rich history as our town has in defending our freedoms.

exceptions, to which Purchaser objects, Purchaser shall so notify Seller and shall deliver
to Seller legible copies of all documents cited, raised as exceptions or noted in the Title
Commitment (collectively, the “Title Documents”). Purchaser shall have until the end of
the Title Review Period to notify Seller in writing of any such exceptions that Purchaser
finds objectionable (the “Unpermitted Encumbrances”). Upon receipt of a notice of
Unpermitted Encumbrances with respect to the Property from Purchaser, Seller shall have
twenty (20) days to have the Unpermitted Encumbrances corrected, removed from the
Title Commitment, or, if Purchaser so agrees, to have the title insurer commit to insure
against loss or damage occasioned thereby. If Seller fails to have said Unpermitted
Encumbrances so removed or insured over (with Purchaser’s approval which shall not be
unreasonably withheld or delayed) within the period allowed to Seller set forth above,
then Purchaser, at Purchaser’s option, may, within five (5) days thereafter, elect any one
(1) of the following: (i) terminate this Agreement, in which event neither Party shall have
any further liability hereunder other than for those provisions which expressly survive the
termination of this Agreement; (ii) consummate the transaction contemplated herein, and
take title to the Property; or (iii) extend the time period allowed to Seller to have said
exceptions removed or insured over as set forth above (and to extend the scheduled
Closing Date, if necessary) for a period of thirty (30) days (in which case the elections set
forth in clauses (i) and (ii) above shall apply at the expiration of such five (5) day period).
If Purchaser does not elect clause (i), (ii), or (iii) above within the requisite five (5) day
day period, Purchaser shall be deemed to have elected clause (ii) above.

4. Closing.

(a) Time and Place. The consummation of the transaction contemplated
hereby (the “Closing”) shall be held during normal business hours on the date that is sixty
(60) days after the Effective Date (the “Closing Date”) or on such earlier date agreed
upon by the Parties, at a location mutually agreeable to the Parties. The Parties agree that
the conveyance of the Property and the tendering of the Deed as described below shall be
subject to Purchaser paying the balance of the Purchase Price due in cash or other
immediately available funds at the Closing, subject to any credits and/or prorations under
this Agreement.
(b) **Closing Costs.** Purchaser shall pay the Ohio real property conveyance fee and any applicable transfer and recording fees with respect to the Deed. Seller shall pay any recording fees required for remedy of the Unpermitted Encumbrances. Each party shall pay its own attorney’s fees. Seller and Purchaser further agree that any closing costs not otherwise provided for herein shall be paid by the Purchaser.

(c) **Closing Prorations.** At Closing, all items customarily prorated (with the exception of ad valorem taxes and assessments) shall be prorated between Seller and Purchaser as of 12:01 a.m. on the date of Closing based upon the actual number of days in each month and year applicable to such calculation. Neither party shall be entitled to additional funds based upon re-prorations or adjustments after Closing. All ad valorem taxes and assessments for the year 2021 shall be paid by Seller.

5. **Closing Deliveries.**

(a) At Closing, Seller shall deliver or cause to be delivered the following:

(i) A limited warranty deed in substantially the same form as the deed attached hereto as Exhibit B and by reference made a part hereof (the “Deed”);  

(ii) an owner’s affidavit in a form acceptable to Seller and Purchaser’s Title Company, if Purchaser elects to obtain Title Insurance;  

(iii) an affidavit or certificate in compliance with Section 1445 of the Internal Revenue Code of 1986, as amended (the “Code”), and any regulations promulgated thereunder, stating under penalty of perjury Seller’s United States identification number and that Seller is not a “foreign person” as that term is defined in Section 1445;  

(iv) a settlement statement;  

(v) the amount, if any, due from Seller to Purchaser in respect of prorations, as provided in Section 4(c) hereof; and  

(vi) such other items reasonably necessary for consummating the transaction contemplated hereby.

(b) At Closing, Purchaser shall deliver the following:

(i) the Purchase Price, as adjusted by prorations and costs as provided in this Agreement;  

(ii) a settlement statement; and  

(iii) such other items reasonably necessary for consummating the transaction contemplated hereby.
(c) All documents listed in Section 5(a) and Section 5(b) above must be duly and properly executed by the respective parties thereto. Unless otherwise agreed by the parties, Network Land Title Agency will draft the closing documents.

6. **Representations and Warranties of Seller.** Seller hereby represents and warrants to Purchaser as follows:

   (a) **Status.** Seller is an individual authorized to enter into this Agreement.

   (b) **Authority.** The execution and delivery of this Agreement and the performance of Seller’s obligations hereunder have been or will be duly authorized by all necessary action on the part of Seller, and this Agreement constitutes the legal, valid and binding obligation of Seller, subject to equitable principles and principles governing creditors’ rights generally.

   (c) **Non-Foreign Entity.** Seller is not a “foreign person” or “foreign corporation” as those terms are defined in the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder.

   (d) **No Other Representations or Warranties.** Except as expressly set forth in this Section 6, Seller makes no representation or warranty, express or implied, in respect of any of the Property or the liabilities or operations of Seller, including, without limitation, with respect to merchantability or fitness for any particular purpose, and any such other representations or warranties are hereby expressly disclaimed.

7. **Representations and Warranties of Purchaser.** Purchaser hereby represents and warrants to Seller as follows:

   (a) **Authority.** The execution and delivery of this Agreement and the performance of Purchaser’s obligations hereunder have been or will be duly authorized by all necessary action on the part of Purchaser and this Agreement constitutes the legal, valid and binding obligation of Purchaser, subject to equitable principles and principles governing creditors’ rights generally.

   (b) **Non-Contravention.** The execution and delivery of this Agreement by Purchaser and the consummation by Purchaser of the transactions contemplated hereby will not (i) violate any judgment, order, injunction, decree, regulation or ruling of any court or Governmental Entity or (ii) conflict with, result in a breach of, or constitute a default under the organic documents of Purchaser, any note or other evidence of indebtedness, any mortgage, deed of trust or indenture, or any lease or other material agreement or instrument to which Purchaser is a party or by which it is bound.

   (c) **Consents.** No consent, waiver, approval or authorization is required from any person or entity (that has not already been obtained) in connection with the
execution and delivery of this Agreement by Purchaser or the performance by Purchaser of the transactions contemplated hereby.

8. **Disclaimer of Warranties; Release.**

(a) Except as otherwise expressly set forth in this Agreement, Seller specifically disclaims any warranty (whether oral or written) concerning (i) the nature and condition of the Property and the suitability thereof for any and all activities and uses that Purchaser may elect to conduct thereon, (ii) the compliance of the Property or their operation with any laws, rules, ordinances or regulations of any government or other body and (iii) any other matter whatsoever, in each such case, except as expressly set forth in this Agreement. Except as otherwise expressly set forth in this agreement, the sale of the Property pursuant to this agreement is made on a strictly "as is," "where is" basis as of the closing date, and seller makes no warranty or representation, whether express, implied or arising by operation of law, including, without limitation, any warranty of quantity, quality, condition, habitability, merchantability, suitability or fitness for a particular purpose of the Property, including, without limitation, any soil conditions related to the Property.

(b) Purchaser specifically acknowledges that Purchaser is not relying on (and seller hereby disclaims and renounces) any representations or warranties made by or on behalf of Seller of any kind or nature whatsoever, except for the representations and warranties expressly set forth in this agreement. Purchaser, for itself and its successors and assigns, releases Seller from, and waives, any and all claims and liabilities against Seller for, related to or in connection with any environmental or physical condition at the Property (or the presence of any matter or substance relating to the environmental condition of the Property), including, without limitation, claims or liabilities relating to any hazardous, toxic or dangerous materials or substances located in, at, about or under the Property, or for any and all claims or causes of action (whether actual or threatened) based upon, in connection with or arising out of any laws related to environmental matters or liability with respect to or affecting the Property. Purchaser represents to Seller that Purchaser has conducted, or will conduct prior to closing, such investigations of the Property, including, without limitation, the environmental conditions thereof, as Purchaser deems necessary to satisfy itself as to the condition of the Property and the existence or non-existence of, or curative action to be taken with respect to, any hazardous or toxic substances on or discharged from the Property and will rely solely upon such investigations and not upon any information provided by or on behalf of Seller or its agents or representatives with respect thereto. Upon closing, Purchaser shall (i) assume the risk that adverse matters, including, without limitation, adverse environmental conditions, may not have been revealed by Purchaser’s investigations and (ii) be deemed to have waived, relinquished and released Seller from and against any and all claims, demands, causes of action (including, without limitation, causes of action in tort), losses, damages, liabilities, costs and expenses (including, without limitation, attorneys’ fees and court costs) of any and every kind or character, whether
known or unknown, which Purchaser might have asserted or alleged against Seller at any time by reason of or arising out of any latent or patent construction defects or physical conditions or violations of any applicable laws (including, without limitation, any laws related to environmental matters).

9. **Default; Remedies.** In the event of either party’s default hereunder, the non-defaulting party agrees to provide the defaulting party with written notice of such default specifying the nature of such default. The defaulting party shall have a five (5) day period after the date of receipt of said notice in which to cure said default. In the event Seller does not cure any default of which it has received notice within said five (5) day period and Purchaser is ready, willing and able to perform all obligations imposed upon Purchaser hereby, Purchaser shall be entitled to terminate this Agreement and receive an immediate refund of all Earnest Money paid hereunder (and the parties shall have no further rights or obligations hereunder except for those that expressly survive a termination of this Agreement) or to pursue an action for specific performance of this Agreement within thirty (30) days after the expiration of the five (5) day period within which Seller has not cured a default for which it has received notice. In no event shall Purchaser be entitled to pursue a claim for damages against Seller. In the event Purchaser does not cure any default of which it has received notice within said five (5) day period and the transaction contemplated hereby is not closed by reason of Purchaser’s default (and Seller has performed all of its obligations hereunder) then the Earnest Money shall be paid to Seller as full liquidated damages, this Agreement shall be null and void, and none of the Parties hereto shall have any further rights or obligations hereunder, except for such rights or obligations that survive a termination of this Agreement.

10. **Broker.** The Seller and Purchaser each represent and warrant that they are not represented by a Broker in connection with this Agreement. Seller shall indemnify Purchaser from any costs or expenses arising out of anyone claiming to be Seller’s broker with respect to the Property or this Agreement. Purchaser shall indemnify Seller from any costs or expenses arising out of anyone claiming to be Purchaser’s broker with respect to the Property or this Agreement.

(b) **Governing Law.** This Agreement shall be deemed to be made in, and in all respects shall be interpreted, construed, and governed by and in accordance with the laws of the State of Ohio. In the event that any dispute hereunder results in the filing of legal action, the parties agree that such action will be maintained only in a court of competent jurisdiction in Lorain County, Ohio.

(c) **Headings; References.** The section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. (f) **Time.** Time is of the essence of this Agreement. Notwithstanding anything herein to the contrary, if the final date of any period, any date of performance or any deadline that is set forth in this Agreement falls on a day that is not a Business Day, then
such date shall be automatically extended to the next Business Day. For purposes of this Agreement, a “Business Day” is any day that is not a Saturday, Sunday or federal legal holiday.

(g) Possession. Possession of the Property shall be delivered to Purchaser at Closing.

(h) Survival; Representations and Warranties. Except as expressly provided herein, the representations, warranties and agreements of the parties contained herein, if any, shall merge into the Deed and shall not survive Closing. No representation, promise or inducement not included in this Agreement shall be binding upon any party hereto.

(i) Drafting of Agreement; Severability. The parties each acknowledge and agree that none of the terms or provisions of this Agreement shall be construed against any of the parties merely because of who may have drafted such term or provision and that, if any of the terms or provisions of this Agreement are or should be void or unenforceable, all of the remaining terms and provisions of this Agreement are and shall be applicable to the fullest extent permitted by law.

(j) Waiver of Jury Trial. In any civil action, counterclaim or proceeding, whether at law or in equity, that arises out of, concerns, or relates to this Agreement, any and all transactions contemplated by this Agreement, the performance of this Agreement or the relationship created by this Agreement, whether sounding in contract, tort, strict liability or otherwise, trial shall be to a court of competent jurisdiction and not to a jury. Each party hereby irrevocably waives any right it may have to a trial by jury. Any party may file an original counterpart or a copy of this Agreement with any court, as written evidence of the consent of the parties to this Agreement of the waiver of their right to trial by jury. Neither party has made or relied upon any oral representations to or by any other party regarding the enforceability of this provision. By execution of this Agreement, each party acknowledges that it has read and understands the effect of this jury waiver provision. Each party acknowledges that it has been advised by its own counsel with respect to the transaction governed by this Agreement and specifically with respect to the terms of this Section, or has waived such advice of counsel.

(k) Effective Date. The “Effective Date” of this Agreement shall be the date upon which the last of Seller or Purchaser has executed this Agreement with any changes thereto having been initialed by all parties.
IN WITNESS WHEREOF, each party hereto has executed this Agreement on the day and year indicated below.

ORDINANCE NO. 6027-2022

AN ORDINANCE AMENDING NORTH RIDGEVILLE ORDINANCE 5596-2018 TO MAINTAIN INTERNAL WAGE PARITY BETWEEN CERTAIN DEPARTMENT HEADS, SUPERVISORY EMPLOYEES, AND CONFIDENTIAL EMPLOYEES IN 2022 AND DECLARING AN EMERGENCY.

WHEREAS, in 2018, City Council created NRO 5596-2018 which sought, among other things, to maintain internal wage parity between certain department heads, supervisory employees, confidential employees, and various collective bargaining units of the City; and

WHEREAS, those designated employees were to receive the average percentage increase in base wages as negotiated with the various City unions; and

WHEREAS, in an effort to maintain internal wage parity between the designated employees described in NRO 5596-2018 (and its subsequent amendments) and the remaining City unions, the City wants to amend said ordinance to provide that those designated employees will receive the same percentage wage increase as did AFSCME for the year 2022, retroactive to January 1, 2022.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH RIDGEVILLE, LORAIN COUNTY, OHIO, THAT:

SECTION 1. Retroactive to January 1, 2022, NRO 5596-2018, Section 2, is amended to include the following:

The annual salaries shall increase periodically in the same percentage as that average percentage increase in wages as is from time to time negotiated by the various collective bargaining units of the City of North Ridgeville in order to
maintain wage parity, within said ranges. For the year 2022 only, the City will provide those designated employees with the same two-and-one-half percent (2.5%) base wage increase as did AFSCME for the year 2022.
