

CITY OF NORTH RIDGEVILLE

**Daniel Rodriguez, P. E.
City Engineer
Engineering Department**

MEMO

Date: October 22, 2018
To: Developers and Contractors
From: Daniel Rodriguez, P. E.
Subject: Discontinued allowance of Concrete Trucks on prepared road base

As of January 1, 2019, The City of North Ridgeville will no longer allow Concrete Mixers to back down the prepared road base to deliver concrete to a road paving machine that is paving a new road full width. All Concrete Mixers must use a prepared haul road suitable for the Concrete Mixers to deliver concrete to the road paver.

Should you need any further information, please do not hesitate to contact me.

Daniel Rodriguez, P.E.
