You may owe municipal income tax to both the municipality where you lived (your resident municipality) and to the municipality where you worked or conducted business (your work municipality).

An annual return is required whether you have tax due or not. If you had no taxable income, complete an exemption form, available at www.ritaohio.com.

When to File

Schedule J Instructions

What Constitutes Net Profits: Net profits shall be determined on the basis of the information used for federal income tax purposes, adjusted to the requirements of the ordinance of a RITA municipality. Expenses attributable to nontaxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for federal income tax purposes are generally not to be considered in arriving at net profits.

How to Treat a Net Loss: The portion of a net operating loss sustained in any taxable year, allocable to a RITA municipality, may be applied against the portion of the net profit of the succeeding year(s) allocable to the same RITA municipality until exhausted, but in no event for more than five (5) years.

There are municipalities that have exceptions to the five (5) years loss carryforward rule, see the RITA Member List at www.ritaohio.com for detailed municipality information.

No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained shall be allocable to a RITA municipality in the same manner as provided herein for allocating net profits to the taxing municipality. No portion of a net operating loss shall be offset against W-2 income.

Line 23 – List all income from Federal Schedule C. If you operate your business in more than one municipality, you must allocate your income between each municipality in Columns 1 through 5. Attach additional copies of Schedule J if you need more columns. Also attach a copy of your Federal Schedule C.

Note: Schedule C net profit may not be reduced by the one-half self-employment tax adjustment as allowed by the Federal Form 1040.

Line 24 – List all rental and partnership income from Federal Schedule E. If your business is conducted in more than one municipality, you must allocate your income in Columns 1 through 5. Attach a copy of your Federal Schedule E.

S-Corporation distributive shares that do not represent wages are generally not taxable and should not be reported on Schedule J (Form 37). See the RITA Member List at www.ritaohio.com for detailed municipality information.

Income from Rents: If you have rental property located in a RITA municipality and are receiving gross monthly rentals in excess of \$250 per month from any and all properties within that municipality, you are considered to be engaged in a business activity and the net income is subject to the tax whether or not you are a resident of a RITA municipality. If you own rental property in more than one RITA municipality, the test stated above must be applied to each municipality individually and a separate schedule attached for each municipality. There are municipalities that have exceptions to the \$250 per month rental minimum, see the RITA Member List at www.ritaohio.com for detailed municipality information.

In addition, if you own rental property and are a resident of a RITA municipality, you will be subject to the tax on the net income of such rental regardless of the location of that rental property owned.

Line 25 All Other Taxable Income – List all other Non-W-2 income such as farm income reported on Federal Schedule F, 1099 miscellaneous income not reported on Federal Schedule C, lottery winnings, director fees, and ordinary gains and losses reported on Federal Form 4797. Make sure to put the amount earned in each municipality in the proper columns. Attach schedules detailing all amounts reported on this line. See the RITA Member List at www.ritaohio.com for detailed municipality information for special instructions or requirements for reporting lottery/gambling winnings.

Line 26 – Add Lines 23, 24, 25 for each column.

Line 27 – If a net operating loss carryforward is applicable, place the amount on this line. **Note:** A net operating loss can only offset a gain in the same municipality. A combined net operating loss in computing residence tax can only be taken on Line 29 of Schedule J. There are municipalities that have exceptions to the five (5) years loss carryforward rule, see the RITA Member List at www.ritaohio.com for detailed municipality information.

Line 28 – Subtract Line 27 from Line 26 for Columns 1 and 2. Enter the results on Line 28. Place the total of Line 28 in Column 6. If the total in Column 6 is zero or less, enter zero (0).

Line 29 – Subtract Line 27 from Line 26 for Columns 3, 4 and 5. Enter the results on Line 29. Place the total of Line 29 in Column 6. If the total in Column 6 is zero or less, enter zero (0). **Note:** If Line 29, Columns 3, 4, or 5 have entries, complete Schedule K, Line 34.

Line 30 – If line 29 is a gain in Columns 3 or 4, multiply the gain by the tax rate of the corresponding RITA municipality as shown in the Tax Table on pages 7-8. If Line 29 in either Columns 3 or 4 is a loss, enter zero (0).

Line 31 – Total Column 6 and enter result in Line 31 and on Line 1b of Section B, Form 37.

Schedule K Instructions

Line 32 – Complete Line 32 if you earned income in a RITA municipality from which no municipal income tax was withheld.

Multiply W-2 wages earned in a RITA municipality by the tax rate for that municipality. See the Tax Table on pages 7-8 for the tax rates for RITA municipalities. **Note:** Do not use Line 32 if your wages were earned in your resident municipality. Enter the total tax due on Line 32 and in Section B, Line 10.

Line 33 – Complete Line 33 if you earned wages in a NON-RITA municipality and you filed and paid the tax due to that municipality. Proof of payment may be required. Multiply W-2 wages earned in a NON-RITA municipality by the tax rate for that municipality. For the tax rate of the NON-RITA municipality, contact your employer or the city hall of that municipality. Enter the total on Line 33.

Line 34 – Skip this line if you did not complete Schedule J. Otherwise, multiply Line 29, Columns 3, 4 and 5 of Schedule J by the tax rate of the municipality where the income was earned. Proof of payment may be required.

Line 35 – Add lines 32, 33 and 34. Enter the total on Line 35 and in Section B, Line 4b.

Line 36 – Add Line 30, Column 3 and Line 30, Column 4 from Schedule J. Enter the total on Line 36 and in Section B, Line 11.
