The American Housing Survey provides up-to-date information on the size and composition of the housing inventory in the United States. As the country grows, so does the demand for housing. Information from the survey is used at all levels of government to help inform decisions and analyze housing trends. Private organizations use the information to make business plans regarding the nation's housing and households.

The 2015 American Housing Survey will be conducted from May through September 2015. Prospective applicants are encouraged to apply now. Testing for applicants begins this fall while hiring begins in 2015.

Applicants:

- Must be available to work days, evenings and weekends
- Must have valid driver's license and use of an insured automobile
- Must be a U.S. Citizen
