

COVID-19 Update

VACCINATION UPDATE

Vaccination Update: All Ohioans age 16 and up are now eligible for the COVID-19 vaccine.

Note- individuals aged 16-17 will be eligible to receive the Pfizer vaccine, the only COVID-19 vaccine authorized for use for those under age 18.

Vaccine Scheduling Website: Use gettheshot.coronavirus.ohio.gov to identify nearby providers and schedule an appointment.

Mass Vaccination Sites: Ohio's mass vaccination clinic at Cleveland State University's Wolstein Center is open. This week will be the final segment of first doses offered at the site.

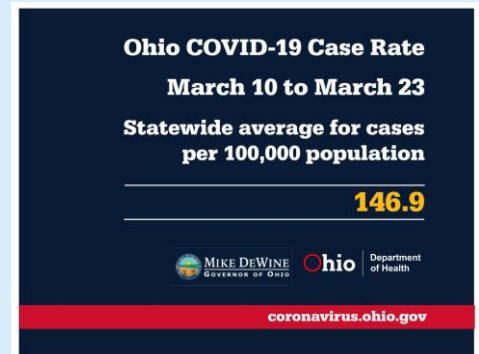

An additional 11 stationary mass vaccination clinics and four mobile clinics will opening regionally across Ohio.

Stationary mass vaccination sites will be held at:

- The Knights of Columbus, Lima
- The Lucas County Rec Center, Maumee
- Dayton-Montgomery County Convention Center, Dayton
- The Celeste Center, Columbus
- The Summit County Fairgrounds, Akron
- The site of the former Dillard's at Southern Park Mall, Youngstown
- The Cintas Center, Cincinnati
- The Wilmington Airpark, Wilmington
- Adena Medical Education Center, Chillicothe
- Wayne Street Medical Campus, Marietta
- Colony Square Mall, Zanesville

COVID-19 SAFETY UPDATE

Updated Health Orders: Ohio Department of Health has updated several health orders for [visitation at nursing homes and assisted living facility residents](#).

Indoor Air Quality Assistance Program: The program provides reimbursements to help cover the costs of inspections, assessments, maintenance, and improvements to indoor heating, ventilation, and air conditioning systems to control the spread of COVID-19.

The following facilities are eligible to apply: intermediate care facilities; hospices; senior centers; adult care facilities; waiver settings (group homes; and substance use treatment centers. Visit BWC.ohio.gov for more information.

Rapid testing: Ohio is making available at-home COVID-19 tests that can be self-administered outside a healthcare setting using telehealth services. Visit coronavirus.ohio.gov for more information.

TALKING POINTS FOR YOU

- The COVID-19 vaccines have been tested rigorously and are safe. The decision to receive a vaccine is a personal choice, but *[INSERT ORGANIZATION NAME]* hopes you choose to receive it when you are eligible.
- One of the goals of Ohio's vaccination plan is to make sure that every Ohioan has nearby access to a vaccine provider no matter where they live in our state. There are more than 1,300 providers across the state in all 88 counties. There are also 11 stationary and four mobile clinics offering vaccines.
- As more Ohioans receive the COVID-19 vaccine, it's important that we do not let up. We need to continue to wear our masks, stay socially distanced, and wash our hands frequently.

SUGGESTED SOCIAL MEDIA POSTS

Don't hesitate. Vaccinate. COVID-19 vaccines are safe, effective, and rigorously tested. Encourage your family and friends to get the vaccine when it's their turn. <https://www.youtube.com/watch?v=TI84NeQ9skc> #InThisTogetherOhio

It's OK to not be OK. Sometimes it's what you don't see that says the most. If you think someone you know may need emotional support, the @OhioMHAS CareLine can help: 1-800-720-9616. https://www.youtube.com/watch?v=QKFrIJ_5SPI

We need your help. Please continue to social distance and wear a mask, until we're all protected and back to the way we remember. #InThisTogetherOhio <https://youtu.be/yLlyeq7juls>
