

**NORTH RIDGEVILLE CITY COUNCIL
MEETING MINUTES
JUNE 7, 2021**

CALL TO ORDER:

President DeVries called the Monday, June 7, 2021, Council meeting to order at 7:00 p.m.

INVOCATION:

Led by President DeVries

PLEDGE OF ALLEGIANCE:

Led by President DeVries

ROLL CALL:

Present were Council members President Martin DeVries, Holly A. Swenk, Dennis Boose, President Pro-Tem Bruce Abens, Clifford Winkel, Jason R. Jacobs, and James R. Maleski.

Also present were Mayor Kevin Corcoran, Safety-Service Director Jeff Armbruster, Law Director Brian Moriarty, Auditor April Wilkerson, Engineer Dan Rodriguez, Clerk of Council Nancy Linden, and Assistant Clerk of Council Shari Ma.

MINUTES - Corrections (if any) and approval:

President DeVries asked if there were any corrections to the City Council meeting minutes of May 17, 2021.

With no comments or questions, the meeting minutes of May 17, 2021, stand approved.

President DeVries noted that Council received the following meeting minutes:

- Civil Service Commission meeting minutes of May 18, 2021
- Administrative Committee meeting minutes of May 18, 2021
- Finance Committee meeting minutes of May 24, 2021
- Board of Zoning and Building Appeals meeting minutes of May 27, 2021

LOBBY:

President DeVries opened the lobby session. He called Mr. Rudy Ringwall to the podium to state his matter.

Mr. Rudy Ringwall, 31966 Center Ridge Road, North Ridgeville, Ohio 44039, stated the sewer project on Center Ridge Road is going through his property. While he is not opposed to the project, he is concerned that several of his properties will be required to have forced mains. However, he would like to request the City dig deeper so that residents can go in on gravity and put a lift station on Barton Road so that property owners would not have the extra burden. He went on to explain that with forced mains, there would be an issue if a power outage were to occur that may require a generator which would also require property owners to upgrade electrical. Mr. Ringwall believes this sewer project will decrease his property value. He has contacted the Engineer Rodriguez to find out how many people will be involved in this change.

President DeVries thanked Mr. Ringwall for his comment and stated someone from the City will reach out to him to follow up.

President DeVries asked if there were any other people who wished to speak.

ADMINISTRATORS REPORTS:

A. Mayor:

Mayor Corcoran asked Council to consider dispensing with the second and third readings and adding the emergency clause to T 76-2021, a resolution to submit to the electors the question of issuing bonds in the aggregate principal amount of \$12,500,000.00 to provide funds for the purpose of constructing, furnishing, and equipping a new police station and an adjacent storage facility next to the Fire Department Station No. 1 on Ranger Way. Upon Council's approval, the City will authorize the Lorain County Board of Elections to prepare and place this issue on the November ballot for voter approval.

Mayor Corcoran stated T 76-2021 does not need the emergency clause immediately; however, the emergency clause will be necessary at the next Council meeting.

Mayor Corcoran asked Council to consider dispensing with the second and third reading and adding the emergency clause to T 80-2021, an ordinance authorizing the Mayor to enter into an agreement with Ohio Department of Transportation to accept federal funds for the construction of a single lane modern roundabout at the Chestnut Ridge Road and SR 83 intersection. Emergency passage is necessary to meet the deadline of ODOT to accept the funding.

Mayor Corcoran stated North Ridgeville's Police Department is hosting Safetyville this week and next week with over three-hundred soon to be kindergarteners and first graders that missed the chance of participating last year because of COVID-19. If you are traveling to City Hall during the two-week period to conduct business, please watch for children crossing Bainbridge Road to Safetyville and to other locations: the Senior Center, Police Station, City Hall and the North Ridgeville Branch Library. He went on to say, the City's Police Department does an outstanding job educating our youngsters on various safety topics with regard to traffic, school bus, bicycle and pedestrian activity, stranger danger, 911, and drug, gun and fire safety.

Mayor Corcoran stated that recently he learned the City of North Ridgeville received the designation of the sixth safest city according to SafeWise's 2021 Ohio Safest Cities report. Mayor Corcoran thanked the Police Department as well as City residents for reporting suspicious behavior and criminal activity.

Mayor Corcoran explained the Service Department is working through the street paving list. They are paving Bernice, Sycamore and Charles this week. For those who live in the area, please be patient and cautious as you travel in and around the area. He then went on to explain on Sunday, June 13th from 6-8 p.m. the free summer concert series begins at South Central Park with The WIXY 1260's: Cleveland's Clearwater Revival featuring music from the sixties.

Mayor Corcoran stated the first series movie in the park was "The Goonies" and the second series is "Jumanji: The Next Level" beginning at dusk. Both the concerts and movies are subject

to cancellation due to weather conditions. For updates during the season you can visit the Parks & Recreation Department Rainout Line Tab on their webpage or call the Rainout Line at (440) 210.6226.

Mayor Corcoran congratulated the North Ridgeville Trap Team on being named conference champions. Sixty-one students will be participating at the State tournament on June 10th and 31st. Students who qualify for nationals will compete on July 7-11 in Mason, Michigan.

Moved by Mayor Corcoran and seconded by Swenk to go into executive session after the reading of T 76-2021.

President DeVries asked for questions or comments.

B. Safety-Service Director:

Safety-Service Director Armbruster stated it was nice to see everyone's face again. As of June 2, 2021, the Governor lifted the mandates requiring everyone to wear face masks. He acknowledged and thanked the audience for being in person at the meeting. He went on to say, people still have the option to wear the mask if they choose to do so.

C. Engineer:

City Engineer Rodriguez stated he spoke with Mr. Ringwall and will follow up with him later in the week. SR 83 roundabout is scheduled for curbing later in the week; however, weather may be a factor. Once the curbing is completed, paving can begin. Center Ridge Road paving has been completed and side streets are scheduled later in the week. Although weather may be an issue, the project is moving forward.

FIRST READINGS:

Ordinance and Resolution submittal(s)

Clerk of Council Linden:

T 76-2021 A RESOLUTION DETERMINING TO PROCEED TO SUBMIT TO THE ELECTORS THE QUESTION OF ISSUING BONDS IN THE AGGREGATE PRINCIPAL AMOUNT OF \$12,500,000.00 TO PROVIDE FUNDS FOR THE PURPOSE OF CONSTRUCTING, FURNISHING, EQUIPPING AND OTHERWISE IMPROVING A NEW POLICE STATION AND AN ADJACENT STORAGE FACILITY FOR EVIDENCE AND POLICE EQUIPMENT AND PREPARING, EQUIPPING AND OTHERWISE IMPROVING THEIR SITE.

(Introduced by Mayor Corcoran)

President DeVries introduced Police Chief Freeman.

Police Chief Freeman stated renditions could change and that nothing in his presentation is set in stone. The proposed site location is next to the Fire Department across from North Ridgeville's Middle school. Using the site plan, he explained the exact location of the new police station, which would be located south of the fire station. Police Chief Freeman stated the location of the new police station was decided based on the fact that there are over 3,500 children in the school building over three-fourths of the year. If there was an emergency at least 7 officers would be on school grounds in thirty seconds. Officers would be in the school building in a matter of seconds. The second reason the location was selected is because the City owns the land. In the next fifteen to twenty years the Police Department will need to expand based on the City's population growth. Using the site plan, Police Chief explained the layout of the parking lot. He stated in the event of a mass casualty the parking lot can be used to get people out of the area for triage. The parking lot is connected to the fire station's parking lot so that the drive way loops for EMS accessibility. The location is central to the City. The site has been surveyed and it is a buildable site. There is limited wetland mitigation; however, it is a small amount. There would be two buildings, one would be the station and the other would be the garage. The current police department station has been in use every day for 40 years. It has had some renovations however, the Police Department needs more space and the current station will not accommodate the growth, technology needs, and/or storage. The potential garage will be a metal structure to save

money. The garage will be used for evidence processing, evidence storage, and other large equipment storage.

Councilman Boose thanked Police Chief Freeman for the information. He stated that he noticed the potential police station did not include any jail cells.

Police Chief Freeman stated the City will rely on the Lorain County jail to house prisoners for financial and liability reason. Currently, the jail is a twelve day hold facility and the future goal is to become an eight hour holding facility. However, if the County jail says they cannot take a person because they're full, the City still has the opportunity to get the individual to court the next day.

Councilman Boose asked Police Chief Freeman about the extensive increase in the size of the Sally Port.

Police Chief Freeman stated the Sally Port is where you drive your prisoner in for processing. If two cars are in the Port, the back car cannot get out unless the front car drives off. With the increase in space, several police cars will be able to maneuver and get out when necessary.

Councilman Boose asked would the potential police station allow for inside floor plan growth.

Police Chief Freeman stated the potential police station will have an open floor plan that uses dividers and cubicles to maximize space.

Councilman Boose again thanked Police Chief Freeman and provided closing statements.

President DeVries asked if there were any other comments or questions.

Councilman Abens asked Police Chief Freeman if the shower space was adequate for future growth.

Police Chief Freeman stated the potential police station shower space is set up for 60 male officers and 20 female officers. It is designed to accommodate future growth.

Councilman Abens requested that the new police station's outside color scheme resemble the fire department.

Police Chief Freeman stated he agrees that the design and color scheme should match.

President DeVries stated he believes it a great idea to be located in close proximity to the school and thanked Police Chief Freeman for his contribution and dedication.

President DeVries stated that Council will move into Executive Session.

Adjourned into Executive Session at 7:34 pm
