Correspondence received from Assistant Law Director Toni Morgan regarding a change to Rule VIII, Section 2 – *Certification no more than three times:*

Assistant Law Director Morgan stated this issue came up several months ago and it's a vestige of the Civil Service Rules that were in another chapter and once it changed to 124 there have been numerous changes since then and the issue was dropped. She advised one of the reasons it was unused and not adopted in the new chapter is that it circumvents the rules of Civil Service that you are promoted based on merit and based on the test alone. She advised this would take somebody who might not have interviewed well after three times and eliminate them, which goes against the rules of Civil Service. She stated her recommendation months ago was to vote to repeal this and not replace it any way, shape or form, but it was never acted on and the issue came up again so now she is making another recommendation that the Commission remove it.

Chairman Crevda advised he supports that recommendation to repeal and delete from the Rules and Regulations.

Assistant Law Director Morgan advised as a rule, the Commission discusses something one meeting and then it will come up for a vote at the second meeting.
