

***CITY OF NORTH RIDGEVILLE***  
Engineering Department

**BOARD OF DRAINAGE AND FLOOD CONTROL**  
**MEMO**

**October 26, 2020**

The July 28, 2020 meeting of the Board of Drainage and Flood Control did take place as scheduled. Since there was no quorum of members an open discussion was had with those in attendance virtually and some board members who were in attendance physically. There were no minutes taken as there was no official meeting of record.

The October 27, 2020 meeting of the Board of Drainage and Flood Control has been cancelled.

At this point in time the January 26, 2021 meeting of the Board of Drainage and Flood Control will be held unless restrictions on meeting sizes are still mandated by the State of Ohio.

Regards,

***Daniel Rodriguez, P.E.***  
City Engineer
