# Touch-A-Truck

## Description

Get up close and personal with all kinds of big trucks! This unique event encourages children (and adults) to touch vehicles, ask questions, and even climb inside to take in the view from the driver's seat.

North Ridgeville Parks & Recreation will have a sensory friendly version of the popular event. The first 2 hours of this event will be sensory friendly. Climb in and check out your favorite trucks & emergency vehicles without the lights, sirens, and horns. Organized for children that are sensitive and people with Autism Spectrum Disorder in mind. This way, everyone can enjoy the cool diggers, dumpers, and emergency vehicles without upsetting lights and noises.
